Dylan Ratigan (rightfully) loses it on air and speaks the Truth to a point of what is going on in the U.S.

Dylan says his next move will be to put what he's been preaching into action; "to show rather than to tell" in his words. I don't know what form this will take, but in the meantime you can get your Ratigan fix by buying Dylan's book, "Greedy Bastards"

The Greatest Story NEVER Told [all parts]

The TRUTH will always out the LIE!

Racial Greetings White Brothers and Sisters!

National self-determination is the right of all peoples! We demand our right to determine our own people's future! The United States has been operating on an international Judaic misconception for the past one hundred years that all races, peoples and nations are the same or can be made into the same vis a vis the United States! Any immigrant can come to America and be an American! THIS IS A LIE AND WRONG and violation of the basic laws of nature! The liberal agenda is a world Jewish government ruled by them for their benefit and to the destruction of all nations! Nationalities are sub divisions of races! Germans are the seed kernel of the Aryan Volkdom! All European nationalities stem from this relationship! WE CAN NO MORE BE MEXICAN THAN THE MEXICANS CAN BE WHITE! Same with China and the Jewish people! The sum total of the result of the liberal agenda in the US will be to total destruction as we know it of the U.S and the disappearance of the Aryan Volkdom from the world let alone the US and Europe. WHY? Because the Jewish imperialist oktopus knows that in order to maintain their control imposes their one world Diktat on the rest of the world they must destroy their most decisive enemy: the Aryan Volkdom! Why? Because we are the only ones that stand on the evolutionary tree far and above all others, not that we don't recognize their right to exist but that we do recognize their right to exist as separate peoples! ONLY THE MULTI KULTI INTERNATIONALISTS WANT US ALL TO BE THE SAME BY MELDING US INTO A CONTROLLABLE MISH-MASH THAT HAS NO IDENTITY!~ The establishment parties have been and are part of this conspiracy against the nations of the world! IN order for us and the rest of the world to maintain our sovereignty we must eject those parasites from the midst of all the nations!

The National Socialist Freedom Movement (NSFM) (German: Nationalsozialistische Freiheitsbewegung, or NSFB) or National Socialist Freedom Party (German: Nationalsozialistische Freiheitspartei, or NSFP) was a German political party created in April 1924 in the aftermath of the Munich Putsch. Adolf Hitler and many Nazi Party leaders were jailed after the attempted coup and the Nazi party was outlawed in what came to be known as the "Time of Struggle". The remaining Nazis formed the NSFM as a legal means of carrying on the party and it therefore included the same members and ideology as the Nazi party.

In May 1924 elections the NSFM won 32 seats in the Reichstag,
and we will do the same in the U.S.

"National self-determination is the right of all peoples!"
~Woodrow Wilson 1916

"You can't make a silk purse out of a sow's ear!"

You don't believe it? Then why are there so few young white males in America
and white girls are taught and encouraged to race mix?!

[PALMETTO BAY ([CBSMiami](#)) – The flyers bear a swastika and images of uniformed Nazi soldiers.]

The leaflets, distributed by a neo-Nazi group based in Tulsa, OK, appeared last week on driveways, under windshield wipers and in mailboxes of homes in the Mangowood neighborhood of Palmetto Bay.

It is the second time in two years that almost identical pamphlets, from the same organization, have papered the same neighborhood.

The National Socialist Freedom Movement calls itself “The American Nazi party” on its website.

Residents of the Palmetto Bay neighborhood were aghast to have been targeted by the same bigoted message for a second time.

“I think it’s awful,” said Diane O’Prandi as she walked with her dog. “If I see something like that, I’ll be most certain to call the police.”

Peter Roberts found the flyers and their message abhorrent.

"I'm against everything that it says," Roberts said. "I don't know how you can keep them from doing it, though. It's freedom of the press, freedom of speech," Roberts added, calling the flyers and their bigoted message part of the territory in a "free" country.

CBS4 News reached "Commander" Edward McBride of the white supremacist group at a telephone number with a Delaware prefix.

"We're just basically trying to wake up the people to the problems that are happening in the country," McBride said.

Groups such as his are among the problems happening in the country, according to the Anti-Defamation League of Florida.

"They are a small, white supremacist group," said the ADL's Florida Region Director Hava Holzhauer. Holzhauer said the Oklahoma-based organization was a relatively inactive outfit, but added that "We need to speak out when there's a message of hate," Holzhauer said. "Whether it be through an education program in a school, writing a letter, or responding to a flyer that's left in somebody's driveway."

In November, 2011, the same group apparently papered the same neighborhood with virtually identical flyers. In the previous episode, the papers were left on driveways and front stoops. Miami-Dade police said that because the flyers contained no threats, the most the distributors were guilty of was "littering." The investigation went nowhere.

This time could be different.

U.S. Postal Service Inspector Bladimir Rojo confirmed to CBS4 News that some of the flyers deposited last week were left in mailboxes. By law, only stamped U.S. mail may be placed in a mailbox.

To put anything else in a mailbox is a Federal offense, punishable by fines.

Rojo declined to say how many mailboxes had been violated or how many complaints authorities received. Rojo said the case may yet end up at the United States Attorney's office and that prosecutors would not want details of the investigation disclosed prematurely.

McBride, the “Commander” of the neo-Nazi group told CBS4 News, “We are a law abiding organization.”

McBride would not say whether he knew who placed the flyers in the Palmetto Bay neighborhood.

Bigotry must be exposed and challenged wherever it appears.

War on Nationalism

The IRS in a widening scandal in which lower level employees were directed to question, humiliate, demand information of PATRIOTIC groups! They asked who donated what, where they were located, & provide emails of the members of PATRIOTIC groups operating under various titles including Patriot, tea party, etc & Militia, NS etc. Shullman, Miller & Lerhner. Miller resigned. This has been ongoing for over 40 yrs. in which the enforcement arms of our country have been used against PATRIOTS to keep opposition to the jew two party DIKTAT from becoming viable. Not to exclude false accusations to & by law enforcement at all levels against same when advised, & led by an alien body politic that controls the media, key government positions & finance & the right wonders why they have not been successful when they accept kosher fronters into their ranks. An international parasitic Trojan horse. To save our country we must stop electing/re-electing these individuals! Our only hope is to stand together or fall alone. With-out unity we are doomed to fall just as our previous empires before us. We build great civilizations and yet we allow the Jews to destroy them! Educate yourselves and read everything you can on a news story to gather all of the facts. With knowledge we would not have come this far! Never sacrifice knowledge for it will be the death of us all!

HEIL HITLER! Out with the Jew parasites!

~From Chairman Herrington

Our Chairman Herrington CALL's to OUR PEOPLE at the front line's!

"Damn it! THE FUTURE OF OUR VOLK IS AT STAKE! Its going to get really bad!

The Jewish Oktopus is using you and your families as cannon fodder.

It was based on a lie and is perpetuated by a lie!

Your comrades have suffered unpublished deaths in the tens of thousands, Knowledge
is power!

Know your enemy before it's too god damn late!"

Paul Ryan grilling JEWISH IRS Commissioner Steve Miller for 'Misleading' over Targeting
Conservatives.

For near ten years now and undeclared and illegal war has been waged by the Internationalist Jewish Oktopus using you and your families as cannon fodder.

It was based on a lie and is perpetuated by a lie! You have suffered multiple rotations into war zones, in a war that is illegal and always has been!

Your comrades have suffered unpublished deaths in the tens of thousands, unpublished injuries which affect not only future generations including yours, in the tens of thousands, and the silent killer of psychological and unseen injuries that the Jewish appointed doctors on hire will not diagnose because they are so cheap with your lives!

AND IN THE MEANTIME YOUR FAMILIES DUE TO CIRCUMSTANCE BEYOND THEIR CONTROL have suffered the debilitating effects of a depressed and dislocated economy while you have fought these Jew wars!

Even the New York Jew Times admits that Saddam Hussein did not have anything to do with the 9/11 event, nor did he have weapons of mass destruction!

Even after the artificial imposition of so called 'democracy' Jewish style and physical abuses by Jewish citizens aka also American citizens on Iraqis would would not kow tow, and so called illegal combatants, the Iraqi citizens have stated in a majority of %'s that they had it better under SADDAM HUSSEIN!

He kept the peace, he knew his people and he was a stooge of the US in the first war instigated by the US using Iraq as a surrogate in the revenge war against IRAN!

Now, what is the establishment doing!

Thru their Jewish run media outlets, and their control of vital components of the US government, they are now in the process of waging a media war to incite hatred anger and rage against IRAN.

Under the supposed category that they pose a threat against the US!

That they may or will have nuclear weapons!

WHAT ABOUT THE JEWISH IMPERIALIST WHO CONTROL THE STATE DEPARTMENT, THE DEPT OF DEFENSE, THE JUSTICE DEPT. THE US TREASURY?

And all the communist advisers that the Obamination has in his Cabinet?

Why are they shilling for a war with IRAN?

And you and yours if they get their way will be the cannon fodder again in a war for the JEWISH IMPERIALIST, who can't fight their own wars, nor have the stomach to do so, and according to famous and smarter people than myself have always opted out of fighting their own wars, by buying exemptions.

Just ask General Ulysses S Grant of the Civil War or Napoleon who was appealed to by same to exempt them as they themselves stated they were not physically able let alone inclined, or how about Kaiser Wilhelm the second, whose Jews appealed for exemptions strenuously!

No you will fight their war for them, suffer, get wounded at best and or die!

AGAIN ALL FOR A LIE!

And this will be brought about by the establishment media and Jewish organizations and their internationalist leadership co-opting patriotic Americans and their organizations which they are doing now, while their puppet dictator is in office further eroding and destroying the very foundations of your nation.

And they are doing this by enlisting the aid of 'right wing' groups on the ground locally and joining forces and flying Jewish flags for their one world government, against the Mooslime peoples and religion and nations!

ALL TO STIR UP ANGER AGAINST SAME!

While their national and internationalist leaders are working at the highest levels to bring about their one world Jewish diktat as promised them by their god!

They at this level still support immigration without control, they still support abortion ritual murder on demand, they still support gun control, they still support integrationism, they still support the one-sided across the board blank check military and political support of the bandit state of Israel using your hard earned tax dollars, your sweat your blood to perpetuate their quest for their one world DIKTAT! as given them by their
GAAAAWD!

With 36 mil blacks and 35 mill illegals, and god knows what else, and the economy, it is not beyond the realm of possibility!

With the Justice Department siding with the illegals against the legal rights of American citizens and states and the Hillary the Jewess Clinton asking the UN to Investigate the possible rights violations of illegal immigrant criminals in Az and elsewhere, DO YOU REALLY THINK THAT IN A KOSOVO SARAJEVO style confrontation to keep parts of the US from breaking away thru the use of illegals and 'enemy drug militias' that the FED WILL SIDE ON YOUR SIDE OF YOUR FAMILIES! and defend them!

VETERANS SOLDIERS AWAKE!

Join the National Socialist Freedom Movement!

Your people call you!

REFUSE TO FIGHT ANOTHER WAR FOR THE IMPERIALIST JEWS!

Your war is going to be right here!

DON'T DIE FOR ANOTHER LIE!

OUR RACE IS OUR NATION!

"The United States will not be able, in the next twenty years, to support the demands of National Defense, let alone the "industrial demands", nor the tax base required for the infrastructure of the institutions. Immigration will be essential." Henry Kissinger (Secretary of State & German 'Jew' survivor!?) 1976

Point of order being, if they knew this then why wasn't there a ferocious Government campaign against the Roe vs. Wade abomination!?

Furthermore, by differentiating the basic common elements the US Government is setting the stage for RACE WAR on a grand scale and Internal state conflict, a la Yugoslavia 1988-1998

A nation must value it's original creators, must be cognizant that it must stay cohesive and only thru a sane demographic population policy can maintain it's strength, vibrancy and continued assurance of existence. If any government loses sight of this for selfish reasons and does not maintain as, "The greatest resource of any nation is it's people", and in contradistinction all they value is 'selfish materialism' then that nation is doomed to extinction!

Even more so, if an alien body politic or action group is allowed maintain sway over the governing representatives!

卐Heil Hitler卐 卐HITLER WAS RIGHT! HITLER hatte Recht!卐

About Us: The 25 Points of the NSFM

1. We demand the union of all Whites into a greater America on the basis of the right of national self-determination.
2. We demand equality of rights for the American people in its dealings with other nations, and the revocation of the United Nations, the North Atlantic Treaty Organization, the World Bank, the North American Free Trade Agreement, the World Trade Organization, and the International Monetary Fund.
3. We demand land and territory (colonies) to feed our people and to settle surplus population.
4. Only members of the nation may be citizens of the state. Only those of pure White blood, whatever their creed, may be members of the nation. Non-citizens may live in America only as guests and must be subject to laws for aliens. Accordingly, no Jew or homosexual may be a member of the nation.
5. The right to vote on the State government and legislation shall be enjoyed by citizens of the state alone.

We therefore demand that all official appointments, of whatever kind, whether in the nation, in the states or in smaller localities, shall be held by none but citizens.

We oppose the corrupting parliamentary custom of filling posts merely in accordance with party considerations and special interests-without reference to character or abilities.

6. We demand that the State shall make it its primary duty to provide a livelihood for its citizens. If it should prove impossible to feed the entire population, foreign nationals (non-citizens) will be deported.

7. All non-White immigration must be prevented. We demand that all non-Whites currently residing in America be required to leave the nation forthwith and return to their land of origin: peacefully or by force.

8. All citizens shall have equal rights and duties, regardless of class or station.

9. It must be the first duty of every citizen to perform physical or mental work. The activities of the individual must not clash within the framework of the community and be for the common good.

We therefore demand:

10. The abolition of incomes unearned by work; The breaking of interest slavery.

11. In view of the enormous personal sacrifices of life and property demanded of a nation by any war, personal enrichment from war must be regarded as a crime against the nation. We therefore demand the ruthless confiscation of all war profits.

12. We demand the nationalization of all businesses which have been formed into corporations (trusts).

13. We demand economic reform suitable to our national requirements;

The prohibition of pro-marxist unions and their supplantation with National Socialist trade unions;

The passing of a law instituting profit-sharing in large industrial enterprises;

The creation of a livable wage;

The restructuring of social security and welfare to include drug testing for welfare recipients;

The immediate discontinuation of all taxes on things of life's necessity, such as food, clothing, shelter, medicine etc.:

The replacement of the current tax system with a flat-rate tax based on income.

14. We demand the treasonable system of health care be completely revolutionized.

We demand an end to the status quo in which people die or rot away from lack of proper treatment due to the failure of their medical coverage, Health Maintenance Organization, or insurance policy.

We further demand the extensive development of insurance for old age and that prescription drugs be made both affordable and accessible.

15. We demand the creation and maintenance of a healthy middle class, the immediate communalizing of big department stores and their lease at a cheap rate to small traders, and that the utmost consideration shall be shown to all small trades in the placing of state and municipal orders.

16. We demand a land reform suitable to our national requirements, that shall be twofold in nature:

The primary land reform will be to ensure all members of the nation receive affordable housing. The party as such stands explicitly for private property.

However, we support the passing of a law for the expropriation of land for communal purposes without compensation when deemed necessary for land illegally acquired, or not administered in accordance with the national welfare.

We further demand the abolition of ground rent, the discontinuation of all taxes on property, and the prohibition of all speculation in land.

The secondary land reform will be to ensure the environmental integrity of the nation is preserved;

By setting aside land for national wildlife refuges;

By cleaning the urban, agricultural, and hydrographical (water) areas of the nation;

By creating legislation regulating the amount of pollution, carbon dioxide, greenhouse gases, and toxins released into the atmosphere;

And for the continued research and development of clean burning fuels and energy sources.

17. We demand the ruthless prosecution of those whose activities are injurious to the common interest. Murderers, rapists, pedophiles, drug dealers, usurers, profiteers, race traitors, etc. must be severely punished, whatever their creed or race.

18. We demand that Roman edict law, which serves a materialistic new world order, be replaced by Anglo-Saxon common law.

19. The state must consider a thorough reconstruction of our national system of education with the aim of opening up to every able and hardworking American the possibility of higher education and of thus obtaining advancement.

The curricula of all educational establishments must be brought into line with the requirements of practical life.

The aim of the school must be to give the pupil, beginning with the first sign of intelligence, a grasp of the state of the nation through the study of civic affairs.

We demand the education of gifted children of poor parents, whatever their class or occupation, at the expense of the state.

20. The state must ensure that the nation's health standards are raised by protecting mothers, infants, and the unborn:

By prohibiting abortion and euthanasia, except in cases of rape, incest, race-mixing, or mental retardation

By prohibiting child labor and ending the rudiments of child abuse, alcoholism, and drug addiction.

By creating conditions to make possible the reestablishment of the nuclear family in which the father works while the mother stays at home and takes care of the children if they so choose.

By taking away the economic burden associated with childbirth and replacing it with a structured system of pay raises for those that give birth to healthy babies, thereby returning the blessing associated with children.

To further ensure that the nation's health standards are raised, legislation shall be passed promoting physical strength and providing for compulsory gymnastics and sports, and by the extensive support of clubs engaged in the physical training of youth.

21. We demand the right to bear arms for law-abiding citizens.

22. We demand the abolition of the mercenary army, the end to the over-use of our military as a 'Meals-on-Wheels' program in foreign lands of no vital interest to our nation; and the formation of a true national service for the defense of our race and nation. One that excludes: non-Americans, criminals, and sensitivity training.

23. We demand legal warfare on deliberate political mendacity and its dissemination in the press. To facilitate the creation of a national press we demand:

- (a) That all editors of and contributors to newspapers appearing in the English language must be members of the nation;
- (b) That no non-American newspapers may appear without the express permission of the State. They must not be written in the English language;
- (c) That non-Whites shall be prohibited by law from participating financially in or influencing American newspapers, and that the penalty for contravening such a law shall be the suppression of any such newspapers, and the immediate deportation of the non-Americans involved.

The publishing of papers which are not conducive to the national welfare must be forbidden. We demand the legal prosecution of all those tendencies in art and literature which corrupt our national life, and the suppression of cultural events which violate this demand.

24. We demand absolute religious freedom for all denominations in the State, provided they do not threaten its existence nor offend the moral feelings of the White race. The Party combats the Jewish-materialistic spirit within and without us, and is convinced that our nation can achieve permanent health only from within on the basis of the principle: The common good before self-interest.

25. To put the whole program into effect, we demand the creation of a strong central national government for the nation; the unconditional authority of the political central parliament over the entire nation and its organizations; and the formation of committees for the purpose of carrying out the general legislation passed by the nation and the various American States.

The leaders of the movement promise to work ruthlessly-if need be to sacrifice their very lives-to translate this program into action.

Understanding National Socialism

Translated by High Priestess Myla Limlal of JOS Ministries

Introduction This article arose from the need to clarify both those who already consider themselves National Socialists while having a limited knowledge of their doctrine, and especially to those who are opposed to National Socialism. Those who never had the opportunity to study it thoroughly and know it by a version that was not from the enemy and thus able to take fair and sensible conclusions. It is an opportunity for our opponents, who were often manipulated to understand the truth about us, to unconsciously fight us and to collaborate on the same system aimed to destroy us. Many of our enemies have become aggressive towards us for finding a feasible solution. As well as to get rid of all the prejudice created by the propaganda of the mass media to defame us. The present article is an attempt to illuminate and clarify the truth about the National Socialist worldview, which was maligned and persecuted for decades by people who sought to protect the People's revolt against the power of money and the dictatorship of interest. Throughout the twentieth century, it was never given to the National Socialists the right to counsel or the opportunity of a fair and democratic debate. We were persecuted in many countries around the world; our ideas have been distorted to become repulsive and manipulated. Historical data was falsified to prevent people from knowing the true character of facts. Our books were burned, confiscated and banned. Our authors persecuted, denounced, exposed, and trapped. Thus, our inquisitors proved that we are a threat against the government, against international Zionism, against the system, against the power of capital, and against the bourgeois individualist mentality. All have tried to silence us, to trap us, and even kill us, yet they can never imprison or destroy an idea. It's time for revolt, a revolution against the Modern World, the hour of our freedom's cry. It's time the gag fell to the ground. This text is divided into six fundamental issues that are the cause of a major misrepresentation of the truth about National Socialism - questions that many who call themselves NS did not reach a clear understanding - and one for personal reflection.

1. Is National Socialism "right-winged"?
2. Is National Socialism capitalist?
3. Is National Socialism "racist"?
4. Is National Socialism Fascist?
5. Is National Socialism a dictatorship?

6. What about the Holocaust?
7. Could I be a National Socialist?
1. Is National Socialism “right-winged”?

It is needed to begin with this topic because it is one of the most common distortions about what National Socialism really is. Numerous National Socialists believe it is right-winged, but without understanding what the correct meanings of “right” and “left” wings are. The term originated in the days of pre-revolutionary France, where those who wished to retain the system of government would sit in the right side of the Assembly, while those fighting for radical changes would sit to the left. Thus, the term “right” has been used to define the reactionaries and conservatives, and “left” to define the revolutionaries. A rating of “left” was used predominantly by Marxist and anarchist groups because they usually engaged in revolutionary struggle. However, these terms do not apply according to the nature of the doctrine, but with the time and political situation of the moment. For example, in the times of Tsarist Russia, the Bolsheviks, because they represented a revolutionary movement, fitted to the left. However, when Marxist took power in 1917, he no longer represented any revolution to become of the situation; therefore, all manner of opposition to his regime would be left as Marxists would now be conservatives. Due to the frequent use of the classification of “left” by these groups of libertarian Marxist-Leninist orientation, it became common practice for any other doctrine in opposition to them to be labeled the “right”, and many National Socialists accepted this label, even though erroneous. A Revolutionary Force “(...)

National Socialism is a new conception of the world that is more severe in opposition to the current world of capitalism and bourgeois Marxists and their satellites.” Gottfried Feder - The National Socialist program of the German Workers' Party

The major problem of the National Socialist Movement after 1945 was to ignore the changes taking place in society and continue living in the past. While other movements were growing, evolving, and adapting to the needs and problems of the time, others stayed stagnant, still living in the first half of the century. Few realized how many of our situations had changed, and that society today is not the same as 30 years ago. It is necessary to focus on the problems and the current present policy, adapt, and do something practical. We consider the Modern World and the current Western “civilization” as our greatest enemies. It consists of an absolutely materialistic and capitalist society with a bourgeois and individualistic philosophy. An empire built by self-interest and selfishness. An empire built not for the people, not a cultural or spiritual empire, but one formed by System oligopolies, monopolies, large corporations, and

mass media unhealthily funded by an immoral and anti-national state that protects the interests of the powerful and of Zionism. Thus National Socialism seeks the total destruction of the Modern World. We want to end this era of decadence and the beginning of a new one. We want to preserve our culture and restore our roots, but we are not, in any way, politically conservative. We do not want to save the current degenerative values, do not want to keep a capitalist system or a corrupt government that acts against the interests of the people and doing nothing to keep our cultural heritage and preserve our race. We do not want a state that does everything to remain silent and that promotes the destruction of a culture of millennia.

We do not favor the current (dis)order, but the fight against it. Our goal is their total annihilation. Abandon the perverted and selfish mentality incompatible with our collectivist nature. We believe in a violent struggle against the system to its destruction and implementing something new and fair. We will deploy the true National Socialist order. We're the ones who fight for the building of the spiritual greatness of man and cast out the interests of materialistic and selfish spirit. We wrestle not only for liberation, but for creativity and freedom. One should realize that the cause of our present condition and persecution are Western governments. They hate us, protect only the great interests and will do anything to prohibit us and imprison us. For them, culture and race mean nothing, only economic issues. Support such governments anyway is to prevent and delay the National Socialist Revolution "... The condition which must precede every act is the will and courage to speak the truth was forgotten - and now we do not see it either in the right or the left." Adolf Hitler - Hitler's Speeches, Baynes. Vol 1 The Institute of International Affairs. 1942 National Socialism never said it was "right", this term was applied to us by the enemy media, only individuals who poorly understood and a few rock bands still carry it. Collaboration with political parties whom are "right" is a total waste of time and also a great contradiction. Most of them hate us and will be the first to fight an insurgency of National Socialist. Parties are not represented by the National Socialists because space is not allowed within said "democracy." We are in total opposition against the dictatorship of money and the forces of international Zionism.

The "left" and "right" wings mean nothing to us, we overcome such labels. We are collaborating with groups aimed at the destruction of our system and government. Even if such organizations have different ideas or even contradictory to ours, we have a common enemy: the System. We march separately, but we attack together. When we

quarrel between us, the system will be strengthened. National Socialism is the end of an era of decadence and the beginning of an era of prosperity. Our goal is Year Zero, the renewal of a time, so we are totally revolutionary.

2. Is National Socialism capitalist? "We therefore call for:

11. The abolition of money obtained without work or effort.

12. In view of the enormous sacrifices of war requires that all assets of the people, personal enrichment in the war must be regarded as a crime against the people. Therefore demand the confiscation of all war profits.

13. We demand the nationalization of all monopolies.

14. We demand a share in the profits of big business.

15. We demand a generous extension of social assistance to the elderly

17. Demand a land reform suitable to our national requirements, the creation of a law for the free expropriation of land for the purposes of the common good. Abolition of the agrarian interest and disabling all speculation with land.

18. We demand the ruthless struggle against those who with their activity detrimental to the common interest. Criminals of the people, greedy speculators, etc... Will be punished with the death penalty, irrespective of their religion or race.

19. We demand the replacement of Roman Law serving a materialistic world order by a German Community Law

(...) The common interest comes before the particular interest! " Adolf Hitler and Gottfried Feder - The 25 points of the German National Socialist Workers Party (1920) Blood Against Gold National Socialism understands that the welfare of the community comes before individual interests of any other group. To National Socialism, money is merely a factor of exchange of material goods, a way to mathematically evaluate the work of man for the realization of future exchanges - what we call trade.

All have the right to reap the benefits of their work, provided it is productive and honest. In National Socialism, there is no difference between manual and intellectual labor, no labor divisions when it is honest. We are totally against large corporations that aim to rampantly profit through cruel and immoral ways before the good of the people.

We are against companies that destroy the environment because they are more concerned with money than with the future and the world welfare. We, National Socialists, were the first environmentalists in history!

Globalization is a phenomenon that marks the strength of usury and selfishness. It's the end of borders to the deployment of a global economic system that favors only large elites and not aimed at cultural preservation or the people, but only profit. The internationalism, by overcoming borders, destroy the national culture and promotes a consumerist Yankee anticulture totally à la McDonald's. The TV, an alienating instrument discloses this materialistic lifestyle and numbs society with futile and stupid fun, diverting their attention from the decay of reality. The system, as a capitalist agent, promotes mass immigration in order to acquire the provision of manpower for the employers that intend to reduce expenses and increase profits with no concern for the workers. Prejudice against national workers devalue the work quality,

impoverishes the working class, increases crime, and deploys foreign cultures in nations that should be preserved. "The struggle against international finance capital and the loan has become the most important point of the fight in the nation for its independence and freedom." -Gottfried Feder Financial speculation is not intended for production, just unbridled profit without any kind of contribution to society. In National Socialism, just the job can be a source of wealth. Money cannot create money, money is not the product, and it is the exchange factor. The capital only fulfills the role as intermediary, it has no value alone. National Socialism supports free enterprise, provided that it is applied in accordance with the principles of the National Socialists. In contrast, big capitalists will use cheap labor from people outside the community – which harms it - for a cost reduction. Also we do not be hesitate to give the due rights of workers or to treat them in a malevolent manner to benefit us. The NS believes that the honest employer and employee can work together in mutual respect in a healthy and balanced environment. Marxists deny culture and race as immutable identity, replacing them by social class, but there is no such thing as a social class. The worker is not and never was an internationalist by nature, he is patriotic – he lives in a community, and has a bond with the land they work. Internationalists are the agents of globalization, bankers, businessmen explorers who cannot see country or nation, but only money.

The spirit of National Socialism is a violent and radical opposition to the spirit of

capitalism. It is the rebellion of the creative spirit and sincere human nature against exploitation of power and money. We are engaged in a struggle against capital and financial speculator. National Socialism is the sense of spiritual unity and cultural identity against the forces of greed and selfishness. The Social Revolution "I was and still am a child of the People. Was not by capitalists which I started this fight, but the German workers who took my attitude." Adolf Hitler

The National Socialist German government increased the vacation of workers significantly, reduced the working day to eight hours, and applied a policy for welfare officials to give 2 hours a day of rest with play areas. In a year in office, factories and stores were remodeled following the highest standards of cleanliness and hygiene. Unemployment in millions (Note: Hitler took power in 1933) In three years, more than 23,000 stores were remodeled, 1,200 sports fields, 13,000 toilets and 17,000 canteens were built. More than 6 million jobs were created in only 4 years and the unemployment problem was totally solved. Every German should pay one year of community work to rebuild the nation. Inflation was controlled. Speculative institutions were closed and the unjust profits of bankers, confiscated. The historic National Socialism has proved to be on the side of workers. We represent a worldview that believes in man, who believes in honest and productive work, in the sense of civilization - when the individual understands that they are part of a people and working together for posterity. The determining factor is character, the effort, the work, the individual's will-power, and not the bank account. Already passed the times that tolerate the big bosses and the shareholders that have the destiny of our lives in their hands. National Socialism is the rebellion of man against the power of money. National Socialism is the true voice of the working class! National Socialism is socialist! 3. Is National Socialism "racist"? The enemies of National Socialism did everything to create and link us to a picture of ignorant and prejudiced. They established policies of "racial hatred" in our own nations and the lie that we are "odious" as an excuse to shut us up. By using this pretext, we were persecuted, imprisoned and crucified by the system, and was never given the right to reply.

What the enemies of National Socialism want is for the general public to not know the truth about our ideas and understand our worldview. In fact, our opponents are terrified that people understand the truth about National Socialism and that we stand for high values. His great fear is that the people rebel against the power of money, against the government and against a decaying system. Race and Natural Laws "Think

that the fundamental basis of its existence must be to their ancestors.” Walter Darré, La Política Racial Nacionalsocialista To National Socialism, the races are manifestation of the work of millennia of natural evolution and creation of human diversity. Race is the way in which nature is manifest in us. Destroy and amalgamate races - any race - would destroy all the work of Nature. It should preserve and cultivate our own strain, the legacy of our ancestors, our history and culture. By preserving the blood, we grow, collaborate and evolve with nature. We do not want and do not believe we have the right to destroy, exterminate, or impair any other race. National Socialism follows the concept of personal honor and respect for others people. We want our people as well as everyone else to create a mutual respect and be proud of their own culture, their traditions, and history. Blood and Soil There is no denying the existence of the various races that make up the human species. When we study history, we observed that different cultures are reflective of different races. The argument that races do not exist very often is a myth currently promoted by governments and systems that profit from the creation of multicultural societies. National Socialism believes in the principle of Blood and Soil. Blood is the cultural heritage that we owe to our ancestors and how the ethnic community.

When people share the same origin, creation and traditions, when they have some common ground, a land that their ancestors fought and cultivated for the future, have values and a similar conception of the world, they think and react in a similar way. If the emancipated individualist sentiment is for a sense of community; people tend to care to each other, and are not isolated individuals but members of the same people. This creates a sense of identity and bonding. This feeling is undeniable human and natural. When it exists, people work together, for the collaboration with each other to create the civilization. The Modern World is based on the materialist and capitalist world. It has nothing to do with the idea of community or cultural preservation; it is governed by a consumerist and individualistic anticulture. There is no attempt to maintain or grow the natural groups. The moral of modern societies is the pursuit of personal happiness, which would meet only with the accumulation of capital and material goods. There is no supreme value or spirituality as in National Socialism.

As we are born into a certain environment and are created in a given culture we rarely think about the origin and reason for the existence of communities, societies and nations from which they came (which goes beyond history) and what really unites us all. The Community is the natural and historical consequence of the formation of any

people who, over time, through marriage between persons will naturally develop a culture, a set of principles, a way of seeing the world, reaction to certain things, consequently a common history, which creates an identity and a bond. This identity and bond is natural, which has always existed in all tribes and communities of all cultures since the existence of man. This relationship creates a duty and a concern with people with whom we live, there is the goal of working for the common good of you care about. The main point of this question is to try to understand the essence of the multicultural society. Obviously no community (see that there is talk of society) is multicultural since the beginning, then what is the reason for the clustering of people from different cultures, races and principles living in the same space? What unites them? Is it a culture or unique identity? What would be the affinity between these millions of people? The answer is simple: money. The only thing that holds it all together is the system of production-labor-consumption. These are societies in which the essence is materialism and personal gain. There is no bond or mutual concern. As immigrants are people who leave their homeland to go to another to do well, earn money and spend more ("a better life", as sociologists would say). Can you imagine an Indian out of his tribe and abandoning his people to go to another? Only modern societies try to replace that sense of community values such as the eternal search for personal profit, that money is more important than the people. The only reason for the existence of a multicultural society is trade and money, only this. Therefore, anyone, even where it is anti-capitalist, attacking "racism" would be a natural reaction to defend their space and culture. They would defend any multiracial society, and multiracialism itself, while advocating a society with no essence, history, culture or human bond, but only a system that makes use of the product for his people as purely capitalist interests. There is no reason for the existence of multiculturalism, only the capitalists profit from materialistic and individualistic societies. Exploitation only happens in multicultural societies, not in organic Communities where there is a mutual concern among people. It is perfectly natural that each race has their nation and territory, and that they can live according to their laws, cultures and values.

Therefore, the current societies are multicultural, and all multicultural societies are fundamentally individualistic, materialistic and decadent. The multiracial idea promoted by degenerate sociologists, social engineers and by most Western governments is the idea that countries and nations exist for the sole purpose that individuals must live in search of money for their individual self-realization. It's time we faced the National Socialist conception it is not an abstract idea, but a natural human feeling and a reality. Facing Reality The truth is that racial conflicts do not occur when there is the existence of ethnic Communities, wars and cultural clashes occur only in multiracial societies. It is the instinct of self-preservation that creates hatred and discord, but thanks to

multiculturalism that puts different people in the same states, which defends the interests of one another while attacking.

The harsh reality is that multicultural societies do not work. While there are groups of people with values, religions and culture in one location, I.E. a way of seeing the world, they react to certain things in a different way. There will be hatred, discrimination, prejudice and war. It is in the nature of human beings to identify with his neighbor. The bonds formed by the origin, creation and tradition are a reflection of the power of the blood and form our worldview. Different people and cultures have different views. Ideally, each ethnic group has its territory and nation to live according to their laws, their customs and culture farming. The word "racism" can have many different connotations. Some use it as hatred of one race to another, others that it is self-preservation and worship of ethnicity and culture. The point is that National Socialism is a doctrine of love, pride and honor. If there are legitimate multiculturalists, we are. We believe that all races should cultivate their own culture and that the mixture of these creates conflict and destroy them. We do not want the annihilation or inferiority of any race, but the preservation and evolution of human diversity and their differences.

For more on this matter, see: http://gbt.webs.com/David_Myatt.htm 4. Is National Socialism Fascist?

There is much misinformation when it comes to Fascism, and because of this is that most people who talk about it have no idea about what it is really about. The term is often used to define the European nationalist movements and anticommunist character - especially the first half of the twentieth century. In fact, the term "fascism" seems to have no single explanation, since people use it for what they understand, as well for nationalist movements or to any political side which is opposite - pejoratively. National Socialism is almost always related to the fascist movement of the 1920s and also by many regarded as a "fascist ideology". It is often said that the NS is a branch of the movement of Mussolini, or that somehow had been influenced by this, or even a racial Fascism with applied principles. All are false claims of defamation and speculation. Is National Socialism originated from Fascism? Both the Fascist Party and the National Socialist German Workers Party (NSDAP) began in the year 1919. Thus, the two movements have emerged around the same time, with no contact between them. The

reason there are certain similarities simply because they were born in a fertile historical context for nationalist and anti-communist groups.

While National Socialism arose from the formation of a Worldview, Fascism emerged as an anti-ideological movement, which was only based on the post-Marxist unionism. Fascism appeared as a system of circumstance, a reaction to communist and anarchist advance in Italy. Fascism did not have a specific doctrine as National Socialism, just a plan in relation to counterrevolutionary movements of the Red. In Mussolini's manifesto there was no point or any trace of doctrinal or spiritual inspiration, just plain political demands such as women's suffrage, reorganization of the transportation sector, reducing the retirement age, abolition of the Senate, etc... Almost no revolutionary measures compared to those of the National Socialist movement. In 1922, during the March on Rome, where thousands of Black Shirts put Mussolini in power occurred. On November 9, 1923, the National Socialists try the same thing in Munich, and failed, resulting in mass arrests, including Adolf Hitler himself. It was this, if in any way, National Socialism was inspired by Fascism. National Socialism was the idea of a coup and the formation of paramilitary groups like the Black Shirts and SA. In 1920, Adolf Hitler and Gottfried Feder had formulated the 25 points of the NSDAP and in 1925, the book *Mein Kampf* was published in Germany, while Mussolini had nothing but a nationalist and anticommunist discourse. The achievements of the Fascist Party were merely political and administrative, lacking a doctrine or as a complete worldview National Socialism. Then, in 1932, the term "fascism" appears on the Italian Encyclopedia in a space of 37 pages full of photos and graphics. This was the only attempt by Mussolini - Ten years after coming to power - to include a doctrinal and philosophical aspect in his movement. Although the text is signed by the Duce, it is known that it was written almost entirely by Giovanni Gentile. This same text is then published in book form in 1935 - ten years after the release of *Mein Kampf*.

Although Hitler and Mussolini cultivated a friendship for years, no one was carried away by their opinions, which were almost exclusively political and economic. They had advocated a vision of a completely new world. If Adolf Hitler admired the Duce it was for having led Italy as the first European country to contain communism, never for their ideas. If the fascist movement inspired Hitler and National Socialism it was only at the practical level: the idea of the coup - later abandoned by Hitler - and the creation of SA. However, it is much more likely to National Socialist Worldview had inspired the Fascist attempt at creating a doctrine. Some measures and Ideas of a Corporative Fascist State

The Fascist philosophy never had any racial character before contact with National Socialism. In fact, the 1st current anti-Zionist Fascists does not appear until 1938 - five years after the arrival to power of Hitler and Mussolini. The most surprising is that there was a reasonable amount of Jews in Fascist movement and often occupying important positions, and even after 1938, very few of these Jews lost their positions in the "Italian" state. The Fascist State declared that foreign Jews over 65 years of age, and before 1938 contracted marriage with Italians - the same miscegenation that the National Socialists were trying to PREVENT with the Nuremberg Laws - were now considered Italian.

The Jews do not assimilate; they infiltrate a state from within and become parasitic. The Jews can never be regarded as European. Just merely political vision and state of Fascism and other current "democracies" may accept Zionists in their homeland and still call them national! Is it possible to be Fascist and National Socialist at once? Almost no one knows the similarities between Fascism and National Socialism, but their differences are much more crucial. "The state is a means to an end. Its purpose is the conservation and progress of a society from the point of physical and spiritual sight." "The human right overrides state law." Adolf Hitler By National Socialism, the state is a means of preserving the breed, to improve the human being as an organic instrument created by man for man. The State in the National Socialist conception exists only as the people accept it as it exists for them. Only races create culture, values and civilization. The state preserves and cooperates only in its progress. The state is the political and administrative implementation of a series of values developed naturally over time by the people itself. "Nothing outside the State, nothing against the State, all for the state" Benito Mussolini

For Fascism, the State is all. The State formulates and implements the life of man. Individual needs are suppressed, while the purpose is ALWAYS the state. The state does not exist for man, but the man for the state. The state produces; the state creates the nation and people. Fascism never believed in a natural and organic community, had no consideration of the blood, or even the people, it was just a model of state policy in a geographical area bounded by maps. Fascism does not differ much from the current "democracies" that are merely as political states without preserving race and culture with no great moral or value. As European governments now accept immigrants and not Aryans, the Fascist State also accepted them and still regarded them as legitimate. The Fascist conception of the State is, in principle, purely political and administrative. It is thus, totally unnatural and therefore anti-national Socialist. The Fascist worldview is in

perpetual conflict with ours, so there would never be a state that was both Fascist and National Socialist. Several of those who proclaim themselves National Socialists also consider themselves Fascists - usually because they are of Italian origin - but this is just a demonstration of ignorance and no study on what Fascism really is.

It is absolutely impossible to be Fascist and National Socialist at the same time because they are radically opposed ideologies and doctrines at crucial points. National Socialism presents a worldview grounded in the Natural Laws and moved by noble ideals where conservation and progress of the people is the purpose of life, and through the state, this purpose is achieved. As for Fascism the people are nothing, the state is everything and people are only subjects. We have nothing to do with the fascist "doctrine". A National Socialist is just a National Socialist. . 5. Is National Socialism a dictatorship? Due to decades of enemy propaganda, the image in which the National Socialist government was portrayed was with that of oppressive terror, suppression of freedom and a harsh and dictatorial regime. The reason for the opponents of National Socialism creating this image was to frighten and create a false impression of the true objectives of a National Socialist State.

It is alleged that a dictatorship is created simply by dissolving parliament and doing away with the current "representative democracy" at the time. The truth is that the German parliament was formed by politicians who only represented the interests of rich and powerful and that they had delivered the nation's destiny in the hands of bankers and all kinds of unscrupulous capitalist, leading the country into one of the biggest economic crises ever seen. Power was divided between numerous politicians - in the most dishonest manner - with different political ideologies, forming a government without any responsibility, moral or personality. National Socialism replaces this system of false democracy and applied the principle of natural leadership, which had a representative and accepted by the people who worked for the interests of this. Adolf Hitler, who as a young man and was a volunteer in the war to fight for their nation, took full responsibility for the fate of Germany and the Germans. He had all the confidence of the people to fully reform the country, improved socioeconomic conditions and ended the unemployment crisis in a short time. He also created new institutions such as the Front Work and Hitler Jugend to restore noble values, and thus build a new society. True Democracy There is the illusion that representative democracy is the best and fairest way to known government. It is the idea that the mere voting will ensure the people a chance to elect candidates who reflect their personal interests - and the individual vote -

and thus have control of your own destiny.

The truth is that elected representatives do not necessarily represent the interests of the community - especially when it is a company incorporated in individualistic ideals. Democracy in its true sense is not about voting in any election in a given period of time. Democracy and freedom are inseparable, not something selfish like simply voting. Democracy is a responsibility, to be part of the community and collaborate with it in an honest and positive way. The principle of leadership, Hitler was just a man ahead of his people, a driver of the masses. For him the confidence that incorporates the feelings and real desires of the nation, and thus has full responsibility for their actions and omissions is granted. "With this appeal to voters I intend to show others that governments True democracy is with us and do not hesitate to appeal to people. I do not I believe that any government that had guaranteed power for a term of four years would be prepared to consult the people within seven months." Adolf Hitler - November 6, 1933 Adolf Hitler was greatly loved and admired. To him was given the trust of the German people, which was always consulted and, at some point - no matter what Hollywood attempts to show - that trust has been betrayed or Hitler acted against the will of the nation. Although there are dozens of film about "German resistance" or any dissent against the National Socialist government, it is known that the traitors and opponents of the state consisted of no more than 10% of the population.

On March 29, 1936, just over three years after Hitler's rise to power, a chance was given to the Germans to approve or disapprove the National Socialist government. There was an election based on pure propaganda just as nowadays, but a query to the people about actions and changes have already taken place. The vote occurred under any kind of coercion, force or intimidation, as observed by all present. The approval German was 44,461,278, which consisted of 98.8% of the votes. A number never before seen in history. In 1938, the people of Austria and Germany had the opportunity to decide for or against unification of both countries. The approval of the Austrians was 99.73% of the votes, the German approval was 44,362,667, representing 99.02%. With the highest rate of approval in modern history, how can Hitler be the cruel monster and dictator portrayed by television, Hollywood, and every other bit of propaganda say he is? Obviously, opponents of National Socialism have a profile and interests to hide. After all, it was the bankers and capitalists who were expropriated by the state. It was the ruthless bosses who were forced to reform its factories, businesses and more rights for workers. Therefore, the National Socialist government reflected the genuine form of

democracy. This was no candidate with more money and more resources for advertising elected by people concerned only with themselves and financed by profiteers, but in a real democracy, a real approval by the People.

National Socialism is a real democracy by forming an organic state representing the true feelings and interests of the People. There is responsibility and mutual trust. The state is not formed by lies, canvass, or even a simple win 50% of votes, but an almost total approval unprecedented in history. The National Socialist State is formed by the confidence and will of the nation. 6. What about the Holocaust? Hundreds of books and dozens of films are constantly invented with new dates to remember and writings for “celebrating” the Holocaust - the alleged genocide of six million Jews by the Nazis - in a semi-religious celebration. Of all the slander, this is the most used by the enemies of National Socialism lies spread by those who intend to destroy any attempt to reorganize the National Socialist Movement.

Historians, many times biased and incompetent, which are using the same arguments as their predecessors - based solely on hate propaganda and lies - without even questioning or investigating what has been written, and so, working as true propaganda machines . They treat history as an exact science without allowing at least an answer or defense of the accused, and when this occurs, are not disclosed for fear of the Zionist lobby. Every version of history on the events during World War II was propagated by the victors. The National Socialists was never given the right to at least defend the charges. Sadly, history was written based on hate, propaganda and lies, not facts. Authors and serious historians who dared question the official story - the result of years of propaganda by Zionist – such as David Irving, Ernst Zundel, Robert Faurisson, Paul Rassinier, among others - with various Marxist political orientation and some former prisoners of concentration camps therefore unbiased - were banned, had their works banned and confiscated in several countries and some are in prison in a similar scheme to the Middle Ages. The Lies of Genocide The primary method for alleged genocide is the use of gas Zyklon-B in the gas chambers. The use of that gas has been proven to be scientifically impossible by the Leuchter Report - conducted by an engineer who works with gas chambers to exterminate convicts in American prisons. The gas chambers were actually built by the Soviets and Americans after the taking of the concentration camps, and their construction made it absolutely impossible to make any manner of extermination. They prohibited any of these serious and scientific analyses, and with the Leuchter report taken secretly, proving that the government has something to hide.

Nor is there any proof that there was any policy of extermination, oral or written order of genocide of Jews. It was decided that they should be expelled from Germany and, if possible, from Europe, but some currents of the time advocated the creation of a Jewish State in Eastern Europe, but never exterminated. The rest is pure distortion, slander and speculation. Historical Review The intention of the Holocaust revisionists is not to justify or make political and philosophical debates about what was National Socialism, but a fair and accurate historical analysis of what really happened and what did not happen during the Second World War. Thanks to the alleged Holocaust history, the Jews were given a piece of land in the Middle East called Palestine, and that is now called Israel. The State of Israel today receives billions of dollars in damages for the alleged crimes of Germany to arm against the Palestinian State. The Jews have become an unexceptionable people, because who denounces the Jewish state is branded a "fascist" or "Nazi". And ALL of it depends on the myth of Jewish Holocaust victimization. Defenders of the official story never held a fair debate with revisionists, but prohibit them and imprison them because they are afraid that the truth is revealed.

We do not intend to delve into the study of revisionism here, but here are some pointers for those more interested in historical truth. Authors such as Arthur Butz, David Irving, Carlos Porter, SE Castan, Sérgio Oliveira, Ernst Zundel, Paul Rassinier, Robert Faurisson and also the Leuchter Report. For proofs that the so called "Hocaust" is a total hoax, you can see: <http://www.jewwatch.com/jew-ebooks-free-downloads.htm> <http://www.vho.org/dl/DEU.html> <http://www.ihr.org/> 7. Could I be a National Socialist? After reaching a clear understanding of what National Socialism really is, the abandonment of the old lying massively produced conceptions and disseminated information after so many decades to defame us is necessary. The article presented is just a response to the false ideas and at the same time, a short introduction to the National Socialist doctrine free from distortion or tendentious interpretations.

Personal Revolution A true born National Socialist is predestined to be one. It is not enough to acquire basic knowledge, but owning a good-natured and decent instinct of an honorable person. Studying is useless when the personal essence is incompatible to the essence of National Socialism. Many who had ideas and a world view completely contrary to public opinion succeeded because they were National Socialist born. The National Socialist is an idealist who strives for excellence and struggles to create a new society based on noble values. Life ceases to be a quest for personal happiness and pleasures and becomes a fight for what is right. We give up the individualistic, selfish

and bourgeois mentality to live a dignified and honorable manner. We must realize that we are engaged in the biggest fight in history. Do not fight for money, social or territorial conquests, but for the preservation of life itself. National Socialism struggle for a new way of life, a way of honorable and honest life. We fight for something that is pure and correct. The destruction of old ideas and false values, and the understanding and acceptance of the new: the realization of a personal revolution is needed. The National Socialist accepts and understands the Natural Laws. We are a manifestation of Nature and a part of the environment where our actions influence to everyone around us.

We should know and be proud of the culture of our ancestors, as they are part of us, as we are of our children. What we are today is a product of our earlier generations. Our myths and our culture reveal the worldview of our race. The Aryan race has a noble and warrior spirit, a sleeping spirit but being awakened. The solution to our salvation lies in our own culture, our own values, and our own blood. Upon completion of the personal revolution, we find our salvation through self-knowledge, we find that answer when we look inside ourselves. Conclusion The way of life in National Socialist is walking the path of personal honor and awareness for what is right and just. The National Socialist is an example of the honorable person and noble spirit. We are seeking the creation of a New Man, a man willing to pursue their own destiny towards overcoming the selfish nature. National Socialism is in a quest for excellence and creating a better and more just society. Our hands are tied, bound and repressed by our own governments. It is impossible for a National Socialist not to rebel against the current situation where the world is this sick reality. We strive to achieve our own freedom, freedom where we control our own destiny. We are at war against time. Are you willing to face the hatred and persecution of enemies and traitors? Are you willing to challenge the tyranny and free yourself from the bondage we face? Will you forgo futile pleasures to fight for something you believe with all your heart and know that to be correct? Can you view life as a struggle for our own freedom? Even when we should accept repression and be silent? It's time to wake up; it's time to do something! It's time to stand up and raise your right arm! Safety Message

from

Major Lucius Montague

Dear Kameraden,

It is a blatant fact that as situation stands, members and supporters of the NSFM and all National Socialist, should be mindful of what we both do and say in concerns to the public. Safety of our People, our Volk, should be of the highest regard. As the Chairman has often stated time before, "You are Guerrilla Propaganda Soldiers", and it is not uncommon for soldiers to see injury in battle, especially in this battle for the very existence of the White Race. However, there are actions you can take to eliminate greater chances of such injury:

[Chairman C.H. Herrington advises]

1) NEVER do Propaganda Warfare in Uniform.

The Uniform is only to be worn 1% of the time [i.e. Rallies, Meetings, Marches, etc.]. The other 99% of the time, Members are to remain out of uniform. This makes it quite easy to slip in and out of the public un-noticed without a trace.

2) Carry only a few stickers at a time that you can place and move from quickly.

Keep an "In-and-Out" mindset when doing such. A member in simple attire placing a sticker should be able to slip back into a crowd and go un-noticed leaving those around to wonder as to how the sticker "got there in the first place."

3) Place stickers in places of high pedestrian traffic [always facing the traffic], on smooth flat surfaces, Light-Poles/Street-Lights; however, NO private property and NO mail boxes.

While it may not seem as much, placing a sticker on a mail box may be classed as, "destruction of Private Property" and can cause criminal charges on the one whom does such. We advise against this and promote exercising your Constitutional rights, only with-in the legal bounds.

4) Do NOT place stickers in the same place twice.

Over exposure to an area can arouse suspicion to say the least. It is always best to strike and move to a different location. Do not be troubled if your stickers are removed and attempt to replace them. Simply move on and place them in a different area.

5) Do NOT Brag or Boast.

While this may come as common reasoning to some, others stand as testament as to why this must be addressed. Too many times has one of our Brothers or Sisters been beaten, hospitalized or even killed in payment of their Pride. Safety and Security should come above such a thing as arrogant pride. Victories are not won by the Bragger but from the ones who can do their duties and unseen and un-noticed.

6) Learn Self-Defense.

There are too often times which one is unable to slip away when confronted and must engage in-order to protect their very lives. Along with safety, one must prepare themselves in body and mind to meet combat when there is no other option. Fortunately there are many gyms/dojos that offer Self Defense classes and training. Here we are understanding that paying for such classes in this Economy may not be feasible to some. There are also plenty of online sources one can learn from;

The Nation State as Organism

By

NSFM Chairman

Cliff Herrington

(ChairmanNSFM@yahoo.com)

In the history of man-kind & the gradual evolution of society, the Nation-state, has come to be the foremost highest level of social organization that man has attained, & as such is the only form that can guarantee the security & continued existence of a group of people.

From the earliest dawn, the nation state has been composed, classically speaking of peoples, in which there are common denominators. The Nation state is defined as: a specific group of peoples who are readily identifiable by culture, language, mores, social organization & above all else, RACE, who occupy a specific geographical area, with which they hold common inescapable characteristics, which are passed down from generation to generation.

From the earliest times, the basic component of any community has been the family. The family composing the basic building block and by extension thru marriage and expansion of the basic unit into the community and by extension the community into the tribe. The tribe expanded over eons of time into the Nation-state.

The Nation state reflects the component parts of the communities which it represents and all able bodied parts of that National community identified with the whole, thru the above referred socio-economic-physical backgrounds, ie-China is China because of the Chinese, of course there are local variations of the language & physical characteristics, but, all the same, they were all Chinese. Likewise, European nations, differentiated into Nations, which then became variegated thru language, the early

Roman peoples were in fact Teutonics, the Franks became France, the Visigoths, become Spanish, the Ostrogoths became the East European nations, and the Russ from Scandinavia founded the first Russian state, and the Alemani, became the Germanic states. The Saxons and related tribes settled in the British Isles & became the dominant Volk, with the old High German being the original language in which the Magna Carta was written, evolving into modern day English! Each varied slightly, but, for all practical purposes were the same Volk!

One could travel from any European nation, settle in another, and raise children, which if left there, were for all identifiable purposes of that nationality! Because they are all the same Racial stock!

Modern day average individuals have been led by the nose by self serving politicians into wars against brethren, sister and relation, thru internecine wars, which have served no national Volkisch purpose, outwardly, except for profiteers & politicians & banks! These wars have decimated the European (Aryan) Volk! as the mass man has been led to believe that 'nationality' is a separate division, whereas it, in reality is an artificial barriers, as opposed to the Physical Race, which can be identified, readily, and as opposed to the dome headed liberal, led by the jew, cannot be so easily contravened.

From Europe emigrated vast numbers of Dutch, who settled and founded Nieu Amsterdam (Nieu York), Irish & Welsh, Scots, Germans & belatedly Scandinavians! All Germanic peoples! Only with the turn of the century were jews, mainly from the Pale of Settlement in Eastern and south eastern Europe and Russia, allowed in thru the back room bargaining & bribery of the US Congress! And these mostly the result of their nefarious doings in promoting revolutions in their sponsoring states! Likewise, another wave occurred after WWI for the same reason!

The original settlers of America due to their biological and European origins and common characteristics gave America a cohesiveness and inner vitality that made America sturdy, creative and full of hope. Until the middle of the twentieth century!

Furthermore, a nation must maintain a cohesive, body politic in order to sustain the economic level required to support the population base and it's infrastructures.

"The greatest gift Our Women can give the Volk is a child! For they guarantee the future of our Peoples!"

-Adolf Hitler 1933

For those who think the illegal aliens will long suffer WASP (white Anglo Saxon) predominance, thru ersatz oligarchic dynastic families, they are in for a rude awakening, but, not before the majority of the white population is decimated or absorbed by the droves of illegal aliens from the south.)

Only with the advent of late comers, from societies which have been subjected to 'servile' conditioning, has of late, America lost it's moorings and direction and sight of it's original creators!

Just as a bacillus invades a healthy body and begins to contaminate the life systems, so too do aliens which are not cohesive or natural to the Healthy Life of a National State and as the alien influence grows, so too, do the basic underlying social and political mores alter! Change the people thru displacement or absorption, you change not only the makeup but the mores, the values, change the values and the nation ceases to exist! And just as a sick body needs medical attention, so too does a nation on occassion require surgery to save the whole or else the entire organism will become infected and die!

"Only in a healthy Youth, both bright in Mind and Physically healthy, including family genetics, can a Nation hope to sustain itself!"

A Nations future is dependent on the health, well-being and continued propagation of the original creators. The United States, being led into a suicidal philosophy of rugged individualism, taken to its extreme, and propagated as a worthy life style, egoism & selfish self-hating Abortion on demand, coupled with love of

materialism & hatefulness directed against one's own kind and offspring (as can be seen by the extended effects of abortion murder on demand, child abuse, molestation, murder, has led to a decline of the original population) namely the Anglo-Saxon (White) ARYAN population & the resultant wars of imperialism at the hands of those aforementioned further decimating the populations of all European peoples. Furthermore, a responsible Government must value the physical well-being, intellectual development and resultant effects of a physically healthy body politic, which, evidently our 'government' does not!

Now, the current spectacle of a DEMOCRATIC dominated US Congress, all for the sake of political gain thru the increased numbers of the body politic of Unassimilables, inviting further invasion and suicide, by encouraging illegal non cohesive racial aliens, with AMNESTY (for criminal aliens, no less and the US being used as a steam kettle relief for an Oligarchic regime from which they are being driven), to fill so called jobs Americans will not, however, they miss the salient point, that if AMERICA HAD NOT EMBRACED A SELF HATING ABORTION ON DEMAND free love jewish philosophy, (with the resultant decline of birth rates coupled with normal attrition & losses thru wars of aggression - remember voids tend to fill) the population would be able to fulfil the demands required of a great nation, albeit, COMPANIES RELOCATING JOBS OVERSEAS, puts the lie to the so called demand for 'immigration to fill American jobs', ergo the demands placed on the tax base and the Armed Forces, further deteriorating, implies that the powers that be do not Value their Nations original creators, in contradistinction to the Mass as in the not belated Soviet Empire, in which 'all was one' & the 'lumpenproletariat' was seen as merely a tool to be used for the benefit and pleasure of the Ruling Elite! Who just so happened to be a bunch of ersatz Jew Communists, when fleeing the downfall of same, and financed with donations of monies by totally misled American 'christians' who were led to believe if they didn't, the jews would be massacred {perhaps because of their association with being the originators and factotums of Communist enslavement!}, brought with themselves untold wealth to the land of 'judah' and was a boon to that nation (stolen wealth! at the cost of untold millions of White Russian and other races deaths!) and who now, a strategic alliance of Israel-China-Cuba-Mexico exists!

"The United States will not be able, in the next twenty years, to support the demands of National Defense, let alone the "industrial demands", nor the tax base required for the infrastructure of the insitutions. Immigration will be essential." Henry Kissinger

(Secretary of State & German 'jew' survivor!?) 1976 Point of order being, if they knew this then why wasn't there a ferocious Government campaign against the Roe vs Wade abomination!?

Furthermore, by differentiating the basic common elements the US Government is setting the stage for RACE WAR on a grand scale and Internal state conflict, a la Yugoslavia 1988-1998

A nation must value it's original creators, must be cognizant that it must stay cohesive and only thru a sane demographic population policy can maintain it's strength, vibrancy and continued assurance of existence. If any government losses sight of this for selfish reasons and does not maintain as, "The greatest resource of any nation is it's people", and in contradistinction all they value is 'selfish materialism' then that nation is doomed to extinction!

Even more so, if an alien body politic or action group is allowed maintain sway over the governing representatives!

OUR RACE IS OUR NATION!

Leben ist Kampf!

THE REAL HOLOCAUST

The PHONY "six-million" holoco\$t further serves as a distraction from and a cover for the REAL crimes against humanity committed under Jewish communism. Nearly everyone has heard of "Auschwitz," but how many have heard of the atrocities committed against Gentiles at Kolyma, the most notorious Gulag slave labor camp, run and operated by Jews in extreme northeastern Siberia? Or the systematic genocide of the people of the Ukraine perpetrated by Jewish communism? The Holodomor [Ukrainian Famine/Genocide of the 1932-33] perpetrated by the Jew controlled USSR.

"Hitler will have no war, but he will be forced into it, not this year but later..."

Emil Ludwig [Jew], Les Annales, June, 1934

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force. Let me quote General Moshe Dayan: 'Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."

-- Martin van Creveld, Israeli professor of military history at the Hebrew University in Jerusalem in an interview in the Dutch weekly magazine: Elsevier, 2002, no. 17, p. 52-53.

"We may never actually have to use this atomic weapon in military operations as the mere threat of its use will persuade any opponent to surrender to us."

—Chaim Weizmann [Jew]

"Jews Declared War on Germany. Even before the war started, the Jewish leaders on a world-wide basis had years before, declared that world Jewry was at war with Germany, and that they would utilize their immense financial, moral and political powers to destroy Hitler and Nazi Germany. Principal among these was Chaim Weizmann, the Zionist leader, who so declared on September 5, 1939. He was enthusiastically supported by world-wide Jewry in this declaration."

—Ben Klassen [CoTC]

"I learned that Hitler not only did NOT want to conquer the world, or any other nation, but only to get back the parts of Germany hacked off by the Versailles treaty."

"He openly said he wanted back the parts of Germany given to Poland, Czechoslovakia, etc. The only places he ever "attacked" were once parts of GERMANY, such as Prussia and Austria, stolen by Versailles, just as if we lost Florida and Texas, you would certainly "attack" these states until they were again American."

"Perhaps even more shocking, I discovered, long after the war, just how arrogant the Jews had been in claiming that Hitler "started" World War II - when even before we got into it, they published a book called "Germany Must Perish", which actually preached the EXTERMINATION of the German people [long before any possible gas chambers were even to be alleged].

And more startling still, the Jews laid out the division of Germany on a map in 1940, and the line the Jews drew on their map way back in 1940 is pretty much the same line which now divides Germany!"

[The above was written before the reunification of Germany]

"When I got back from fighting World War II, I truly believed all the propaganda that I had helped the "good guys" fight the world's last war, the war to see that there was no more tyranny and "aggression." I remembered that the world declared War, in effect, on Germany, for marching into Prussia and Silesia, ex-German states which had become Poland. And it was, I was told, to get these people out from under the tyrants that I risked my life, and saw thousands die. But then I watched our "leaders" GIVING all these countries I was supposed to be fighting to "free" - to Soviet Russia. I thought I had "saved" Czechoslovakia, Poland, Hungary, Rumania, Yugoslavia, etc. - Then I couldn't help noticing that we had NOT stopped tyranny in these countries, - instead, it seemed to me, by fighting in WWII, I had helped turn most of the world over to the SOVIET UNION and COMMUNISM. All the Countries I went to save - who had them after WWII - and who has them NOW?

I began to notice, for the first time, that there was something most peculiar about this fight for "freedom" they got me and millions like me into. When ever any Country was in the hands of ANTI-Communists, we were told they were "tyrants and oppressors" and we had to fight to get them out at all costs - as we did, Germany, Italy and Japan. But when a Country was in the hands of Communists -we HELPED them, and I heard nothing about "tyranny." In fact, reviewing my career in World War II - I came to the conclusion that I am a Soviet War Veteran. I fought to turn over the major portion of the earth's surface to the Soviets. This, in turn, led me to become politically aware, for the first time. I began to notice what might be BEHIND the things I read in the papers and saw at the movies, etc."

—George Lincoln Rockwell

A Jewish Gift to Humanity: The Nuclear Nightmare

Below is only a partial list. The total number of the Jews involved is staggering and shocking and the list below is incomplete, due to time restrictions. The list below contains the most noted Jewish scientists who worked directly on the Manhattan Project. Nearly all of the individuals on the list below were hard-core Communists; many more were spies, who gave the formula for the atom bomb to the Soviets. Upon researching, I was appalled at how the authors [mostly Jews], who wrote articles and biographies of the individuals below, portrayed these mass-murderers in a very positive light, exalting many to a hero status. Feel free to do your own research given the information contained on this website.

Below is a partial list of Jews who were directly involved in the Manhattan Project. There were many more Jews involved at all levels of researching, constructing, and advocating the use of the atomic bomb than can be listed here.

- J. Robert Oppenheimer [American Jew] - Scientific Director - Project "Y"

- Frank Oppenheimer [American Jew] - Brother of and Assistant to J. Robert Oppenheimer
 - Albert Einstein [German born Jew] - Consultant to the Project
 - Niels Bohr [Danish born Jew] - Consultant to the Project
 - Leó Szilárd [Hungarian born Jew] - Group Leader - Metallurgical Laboratory
- Nicholas Kürti [Hungarian born Jew] - Worked with Franz Eugen Simon [German born Jew] and developed a method of separating uranium 235 from raw uranium ore
 - David Bohm [American Jew] - Performed theoretical calculations for the Calutrons at the Y-12 facility in Oak Ridge, used to electromagnetically enrich uranium for use in the bomb dropped on Hiroshima in 1945
 - Rudolf Peierls [German born Jew] - British Mission
- Felix Bloch [Swiss born Jew] - Worked under Hans Albrecht Bethe, performing nuclear fission research
- Eugene [Paul] Wigner [Hungarian born Jew] - Group Leader - Metallurgical Laboratory
 - James Chadwick [British born Jew] - Chief - British Mission
 - James Franck [German born Jew] - Director - Chemistry Group
 - Otto Frisch [German born Jew] - British Mission
 - Edward Teller [Hungarian born Jew] - Thermonuclear Research
 - Emilio Gino Segrè [Italian born Jew] - Group Leader
 - Hans Albrecht Bethe [German born Jew] - Chief - Theoretical Division
 - Klaus Fuchs [German born Jew] - Theoretical Division [Communist Spy]
- Richard Phillips Feynman [American Jew] - Group Leader - Theoretical Division
 - Morris Kolodney [American Jew] - Manager - DP Site
- Louis Rosen [American Jew] - The "Father" of the Los Alamos Neutron Science Center
- Louis Slotin [Canadian born Jew] - Critical Testing - resulted in his accidental death
 - Jacob Beser [American Jew] - Weapons firing and fusing
- Theodore Alvin Hall [American Jew] - Youngest Scientist at Los Alamos
 - Samuel T. Cohen [American Jew] - Worked in the Efficiency Group
- Samuel Goudsmit - [Danish born Jew] - Scientific Head of the Alsos Mission
 - George Placzek - [Moravian born Jew] - British Mission
 - Eugene Rabinowitch - [Russian born Jew] - Metallurgical Laboratory
- Joseph Rotblat - [Polish born Jew] - Worked with James Chadwick [Communist Spy]
- Gregory Breit - [Russian born Jew] - Predecessor of J. Robert Oppenheimer

- David Greenglass [American Jew] - Manhattan Project Infiltration [Communist Spy]
- George Abramovich Koval [American Jew] - Special Engineer Detachment [Communist Spy]
 - Victor Weisskopf [Austrian born Jew] - Theoretical Division
- Alvin Martin Weinberg [American Jew] - Theoretical Physics under Eugene [Paul] Wigner
 - Isidor Isaac Rabi [Polish born Jew] - Consultant to the Project
 - Stan Frankel [American Jew] - Theoretical Division
- Enrico Fermi [Italian born Gentile] was married to a Jewess - Group Leader - Theoretical Division

The first atomic bomb was designed and constructed in Los Alamos, New Mexico. The top-secret code name given to this working was "The Manhattan Project." The reason for the name was that Bernard Baruch [Jew], lived in Manhattan New York, as did many of the other top officials. The chief scientist of the Los Alamos Laboratory from 1943 to 1945 was J. Robert Oppenheimer, another prominent Jew. Oppenheimer's brother Frank, a card-carrying communist, was also a leading atomic scientist working at Los Alamos.

"One of the central figures in not only laying the theoretical ground work but also persuading President Roosevelt to launch the whole atomic bomb program was Albert Einstein, a foreign-born Jew with 16 communist front affiliations."

"The first commissioner of the Atomic Energy Commission was David E. Lilienthal, a Jew, who belonged to at least two communist fronts. He remained in that position for a considerable length of time." 1

Niels Bohr [Danish born Jew], given the Nobel Prize in 1922, escaped Denmark in 1943. "In September 1943, reliable word reached Bohr about his imminent arrest by the German police; the Danish resistance quickly managed to help Bohr and his wife escape by sea to Sweden. Soon after, Bohr was flown in a military aircraft to Britain. There he

was introduced to the then-secret atomic bomb project. Eventually he was directed to the project's principal location in the United States of America. Bohr worked on the Manhattan Project at the top-secret Los Alamos laboratory in New Mexico, where he was known by the name of Nicholas Baker for security reasons."²

Leó Szilárd [Hungarian born Jew] born in Budapest, assisted Enrico Fermi in conducting the first controlled nuclear chain reaction.

Nicholas Kürti [Hungarian born Jew: Kürti Miklós] and Franz Eugen Simon [German born Jew who fled to Britain after Hitler came to power] discovered how to separate uranium-235 from uranium ore, which was necessary for the construction of an atomic bomb.³

"It is of utmost significance to point out that both atomic bomb and hydrogen bomb were in large measure a Jewish production. But basically the atom bomb and its further proliferation, is a Jewish idea. One of the central figures in not only laying the theoretical groundwork but also persuading President Roosevelt to launch the whole atomic bomb program was Albert Einstein, a foreign-born Jew with 16 communist front affiliations."

"It was at this time that most of the Atomic secrets were stolen and passed on to the Soviets. When it comes to listing the spies and traitors involved, it almost reads like a Jewish Who's Who. The most notorious were Julius and Ethel Rosenberg, who were tried and executed for treason, the only traitors in modern U.S. history to have suffered this fate. Further involved in this spy network were Harry Gold, Abraham Brothman, David Greenglass, [Ethel Rosenberg's brother], Israel Weinbaum, Miriam Moscowitz, Sidney Weinbaum, Morton Sobell. All these were Jews, and all were convicted of treason. It is also significant in the further development of the hydrogen bomb, again Jews were in the forefront, such as J. Robert Oppenheimer, Steve Nelson [real name Joseph W. Weinberg] and Edward Teller."

"To get on with the crux of our dissertation, namely the commercial and industrial proliferation of nuclear wastes in the United States, which more than any other issue hangs as an ominous pall over our heads. It threatens to bring death, cancer, leukemia, and birth defects to the mass of the population, and, in fact, exterminate humanity itself."

"It is of utmost significance to point out that the Jewish network, has kept close control of the development and proliferation of this most devastating of all technical achievements – nuclear fission and nuclear fusion." 4

World Jewish Congress Declared War on Germany Long Before Germany Took Any Action Against Jews

The following article is composed of excerpts taken from "The White Man's Bible" written by Ben Klassen:

The war against the German people as such dates back hundreds of years. We have shown this further in our previous chapter on the unrelenting warfare between the parasitic Jews and their unfortunate victims.

Total War against Germany.

They went all out in one of the most frantic, malicious wars of propaganda a gullible and uncomprehending world has ever witnessed. In short, Judea declared Total War on Germany and Hitler— financially, propagandawise, militarily, economically, racially, and in every other aspect that was in their power— and that power as we shall see, was formidable. Before Hitler would, or could, even lift a finger against them, the Jews were ready and wasted no time in launching a massive world-wide campaign against him. To illustrate this obvious fact we are again going to quote the Jews themselves, and their press in a limited sampling. There are volumes of evidence, but these few quotes should illustrate the point conclusively.

Plans laid before Hitler came to power.

As early as August 1933, Samuel Untermyer, president of the World Jewish Economic Federation called together a large congress of Jewish leaders from all over the world to declare war on Germany in the name of the Jews. The meeting was held in Amsterdam, Holland. Upon returning to the United States from that meeting, Untermyer made a speech on Radio Station WABC (N.Y.) on August 6, 1933 in which he announced that the Jews of the world had declared war on Germany and would starve them to death. This was long before any action of any kind had been taken against any Jew, and six years before military action was initiated in 1939.

“We have been at war with him (Hitler) from the day that he gained power” stated the London Jewish Chronicle May 8, 1942 in its “Sermon of the Week.”

Rabbi M. Perlzweig, head of the British Section of the World Jewish Congress, speaking in Canada, stated: “The World Jewish Congress has been at war with Germany for seven years.” (Toronto Evening Telegram, February 26, 1940.)

The Dutch-Jewish paper, Centraal-Blaad Voor Israeliten in Nederland declared on September 13, 1939: “The millions of Jews who live in America, England and France, North and South Africa, and, not to forget, those in Palestine, are determined to bring the war of annihilation against Germany to its final end.”

We must remember that at this time (September 13, 1939) the war was less than two weeks old, no concentration camps, no gas chambers, etc., for Jews or anybody else had been set up, or even alleged to be in existence. (The whole “gas chamber” story was nothing but another Jewish lie, as we will see in another chapter.)

The Chicago Jewish Sentinel, on October 8, 1942 declared: “The Second World War is being fought for the defense of the fundamentals of Judaism.” Indeed it was. To be more specific, in behalf of the Jews themselves. They knew it, they instigated it, they perpetrated it, they stagemanaged it, The naive and gullible goyim, meanwhile, slaughtered each other with a vengeance, not knowing, or not wanting to know, who the real perpetrators, the real war criminals were.

Vladimir Jabotinsky, Jew-communist and founder of the Irgun terrorist organization wrote in the January 1934 issue of Natcha Retch: “The fight against Germany has been carried on for months by every Jewish community, conference, congress, trade organization, by every Jew in the world. There is reason to believe that our part in the struggle will be of general value. We shall let loose a spiritual and material war of the

whole world against Germany. Germany's ambition is to become a great nation again, to reconquer her lost territories and colonies. Our Jewish interests on the other hand demand the complete destruction of Germany. The German nation is collectively and individually a danger to us Jews."

Hitler offered Hand of Friendship to England.

Hitler, whose concern was not only for the Germans, understood the deadly program of the parasitic Jew. He pleaded in vain with England not to play the Jewish game. Speaking in September of 1939, he said:

"On numerous occasions I have offered the friendship of the German people to England and the English people. My entire policy was built upon the idea of this understanding. I was always rebuffed... We know that the British people as a whole cannot be made responsible. It is that Jewish plutocratic and democratic ruling class which hates our Reich."

English Traitors fronted for Jews.

On behalf of the non-Jewish ruling class it must be pointed out that those who went along with the Jews were by and large chabez-goi, people like Winston Churchill, traitors who were in the pay of the Jews, or under their control and coercion. So firm was this Jewish control over the British people (as well as the French, Americans, Poles and others) that the Jews were in fact successful in plunging the world into a fratricidal war of destruction on a scale such as the world has never witnessed before.

Plans to Exterminate German People.

Some of the Jews wanted to exterminate those Germans surviving the destructions of war by sterilization. Theodore N. Kaufman, spelling out the program in the book entitled *Germany Must Perish, said: By Sterilization*. “To achieve the purpose of German extinction it would be necessary to only sterilize some 48,000,000— a figure which excludes, because of their limited power to procreate, males over 60, and females over 45...”

By Starvation. Other groups of Jews wanted to exterminate the Germans by starvation. A notorious advocate of the method was Henry Morgenthau, Jr., Secretary of the Treasury in the Roosevelt Administration. The following quotation is from the memoirs of Cordell Hull, who was Secretary of State in the same administration.

“Morgenthau’s plan, I added, would wipe out everything in Germany except land, and the Germans would have to live on the land. This meant that only 60% of the German population could support themselves on the German land, and the other 40% would die.”

Germans Looted and Starved. A version of the evil Jewish plan was in fact implemented for a period immediately after the war. Huge amounts of all kinds of machinery, factories, and rolling stock that survived the war were shipped to communist Russia. Viewing all this, Mr. R. R. Stokes, a Labor M.P. in Britain declared at the time:

“Today in Germany, 6 months after our victory, graves are being dug for people not yet dead, people who will die of starvation in the next few months.”

Morgenthau Plan.

U.S. Senator William Langer of North Dakota said of the Morgenthau plan, and his remarks are entered in the Congressional Record, April 18, 1946: “Mr. Morgenthau now

stands convicted before the conscience of the world as an instigator of systematic annihilation of the German speaking people. The record further proves beyond any question of doubt, that these fanatical and reactionary high priests of hate and vengeance will never be able to defend their conspiracy before the bar of human reason and human decency." Six Million Swindle Invented. It was only through the opposition of people like Senator Langer who could not stomach the vicious murder conspiracy of the Jewish network that the Jewish program of sterilization of the German people, or the program of starving them to death, or a combination of both, was not carried through. By whipping up hatred about the mythical "six million" to a near frenzy the Jews almost, but not quite, succeeded in their goal of mass murder of the German race.

THE REAL HOLOCAUST

Bombing of Dresden: An Act of Genocide

'After a very short while,' reports a woman, herself an evacuee from Cologne, trapped in another basement, 'we had to put on our gas masks and goggles. Smoke and fumes were pouring through the breaches in the cellar walls from the cellars on both sides. There were no gas masks however for the infants. The people who suffered most were

the elderly and the children. With my own eyes I had to watch as a three week old baby suffocated in the arms of its mother.'

'On the square there were thousands of people standing packed shoulder to shoulder, not panicking but very mute and still. Above them the fires raged. At the station entrance the heaps of dead children and others were already being piled up, as they were brought out of the station. 'There must have been a children's train at the station. More and more dead were stacked up. I took away one of their blankets for one of my babies, who were not dead but alive and terribly cold.' In the morning some elderly S.A. men came and one of them helped me and my family to get through the town to safety.' 1

The bombing of Dresden was just as horrific as the bombings of Hiroshima and Nagasaki. Dresden was an unarmed city, and was one of the major centers of culture in Germany. The bombing of Dresden was an act of genocide against the German people and given this occurred very late in the war; in March of 1945, the attack was done to further break the German morale. The attack was carried out with incendiary bombs [fire bombs], and to such an extent that nearly all of the oxygen was sucked out of the city and Dresden was reduced to ashes. The suffering of innocents was beyond the imagination. This bombing, like the bombings of Hiroshima and Nagasaki were direct

attacks on unarmed civilians. The dates chosen for this specific onslaught on the German people coincided with the Christian holy day of "Ash Wednesday." Few people are aware of the fact that the 'Holy Bible' is nothing more than a book of Jewish witchcraft.

‘The conflagration in Dresden nourished the suspicion that the western Allies were concerned only with the liquidation of the German Volk,’ suggested the Inspector of German Fire Services in memoirs written after the war. To those in Dresden who had survived the first attack, it seemed that all they had been told about the Allies’ Morgenthau Plan was materialising only too quickly.’ 2

"Like most historic Jewish military operations, the great massacres of World War II occurred, not on the battlefield, but in peaceful neighborhood communities. This was in accordance with the dictate of the Book of Esther, which directs the Jews to massacre women and children, and to exterminate the families of those who dare to oppose them.

Thus it was in Dresden, a historic German cultural center, where many thousands of German women and children, refugees from Communism had gathered. They were assured by the Red Cross that they would be safe, even while the Jewish generals were preparing to murder the men. The blood-maddened Jews desired not only to murder as many German civilians as possible but also to erase from history all evidence of Western civilization, the greatest examples of White culture which had been gathered in Dresden, the irreplaceable porcelain, the priceless paintings, the baroque furniture, and the rococo mansions with their poetry carved in stone. All was laid waste in a mass bombing attack in which some 300,000 German civilians died in a city which was not even a military target!

Like Dresden, Hiroshima was also an ancient cultural center, with no visible military objective. Its non-combatant families also died horribly by the hundreds of thousands.

Many were pulverized instantly by the first atomic bomb ever used in a military operation, but thousands of other victims lived on for years, mangled and burned, their limbs and organs slowly rotting away from radiation poisoning. Even while the Japanese officials were desperately suing for peace, the Jews hastily ordered the dropping of a second atomic bomb, this one on Nagasaki, bringing off a second 'test' of their Hell bomb against helpless non-combatants, as prescribed by the Book of Esther. Again, hundreds of thousands of civilians died horribly."

"Before World War II, Dresden was called 'the Florence of the Elbe' and was regarded as one of the world's most beautiful cities for its architecture and museums. Dresden's contribution to the war effort was minimal compared with other German cities. In February 1945, refugees fleeing the Russian advance in the east took refuge there."

"On the night of February 13, hundreds of RAF bombers descended on Dresden in two waves, dropping their lethal cargo indiscriminately over the city. The city's air defenses were so weak that only six Lancaster bombers were shot down. By the morning, some 800 British bombers had dropped 1,478 tons of high-explosive bombs and 1,182 tons of incendiaries on Dresden, creating a great firestorm that destroyed most of the city and killed numerous civilians. Later that day, as survivors made their way out of the smoldering city, over 300 U.S. bombers began bombing Dresden's railways, bridges, and

transportation facilities, killing thousands more. On February 15, another 200 U.S. bombers continued their assault on the city's infrastructure. All told, the bombers of the U.S. Eighth Air Force dropped 954 tons of high-explosive bombs and 294 tons of incendiaries on Dresden. Later, the Eighth Air Force would drop 2,800 more tons of bombs on Dresden in three other attacks before the war's end."

"At the end of the war, Dresden was so badly damaged that the city was basically leveled. A handful of historic buildings--the Zwinger Palace, the Dresden State Opera House, and several fine churches--were carefully reconstructed out of the rubble, but the rest of the city was rebuilt with plain modern buildings. American author Kurt Vonnegut, who was a prisoner of war in Dresden during the Allied attack and tackled the controversial event in his book *Slaughterhouse-Five*, said of postwar Dresden, 'It looked a lot like Dayton, Ohio, more open spaces than Dayton has. There must be tons of human bone meal in the ground.'" 3

"'The streets were littered with hundreds of corpses,' S.S. Obergruppenführer Kehrl described, 'Mothers with their children, youths and elderly people; sometimes their bodies were charred and burned, sometimes untouched; sometimes they were clothed, sometimes naked, with a waxen pallor like tailors' dummies. They lay in every attitude, now quiet and composed, now hideously contorted, with the final struggle of death crying out in every line of their faces.' Even those who had reached the public air raid shelters had not escaped; there scenes were little different, unusual only where panic had broken out as the people realised the nature of the fate they would never elude. 'Here and there the positioning of the remains of the bones and skulls betrayed how the occupants had fought each other to escape from their buried prisons.' When rescue teams finally cleared their way into the hermetically sealed bunkers and shelters after several weeks, the heat generated inside them had been so intense that nothing remained of their occupants; a soft undulating layer of grey ash was left in one bunker, from which the number of victims could only be estimated as 'between 250 and 300' by the doctors. Doctors were frequently employed in these gruesome tasks of enumeration, as the German Reich Statistical Office was up to January 31, 1945 most meticulous about compiling its statistical tables and data. Pools of molten metal, which had formerly been the pots, pans, and cooking utensils taken into them, further testified to the uncommon temperatures in these bunkers. The task of recovering the bodies was

allocated to the Sicherheitsund Hilfsdienst (S.H.D.), the Rescue and Repair Service, which was organised in five divisions: fire service, comprised of local firebrigades as distinct from the para-military national service; Instandsetzungsdienst, the service which repaired fractured gas mains, restored electricity and water supplies, and demolished dangerous structures; the medical service, organised by the German Red Cross; the decontamination service, for counter-measures during allied gas-attacks, and finally the veterinary service for tending wounded livestock and pets." 4

"Some people had met extremely unpleasant ends, when the central heating systems were hit and the basements had flooded with scalding hot water. People who had taken refuge in the static water tanks had also in some parts been scalded to death. The water tank on the corner of Muschinski-Strasse for example had apparently boiled in the intense heat of the night's fire-storm. A score of corpses, their skin lobster-red from the heat, were floating in the water." 5

"In meteorology [he continued] the differences of temperature involved are of the order of 20° to 30° Celsius. In this firestorm they were of the order of 600°, 800° or even one thousand degrees Celsius. This explained the colossal violence of the fire-storm winds.

Individuals were flung over and bowled like tumbleweed along the streets as the hurricane ripped all the clothes from their bodies. Crowds of people fleeing for safety were seized by the tornado, hurled into the flames and burned alive—a holocaust in the truest sense of the word." 6

The movie ["Dresden" \[2006\]](#) is a very realistic portrayal of the horrendous tragedy. This movie is very graphic and extremely sad.

[Kurt Vonnegut Jr's "Slaughterhouse-Five" \[1972\]](#) also features the firebombing of Dresden.

Hiroshima & Nagasaki: A Jewish Experiment

"It was only after the war that the American public learned about Japan's efforts to bring the conflict to an end. Chicago Tribune reporter Walter Trohan, for example, was obliged by wartime censorship to withhold for seven months one of the most important stories of the war.

In an article that finally appeared August 19, 1945, on the front pages of the Chicago Tribune and the Washington Times-Herald, Trohan revealed that on January 20, 1945, two days prior to his departure for the Yalta meeting with Stalin and Churchill, President Roosevelt received a 40-page memorandum from General Douglas MacArthur outlining five separate surrender overtures from high-level Japanese officials. (The complete text of Trohan's article is in the Winter 1985-86 Journal, pp. 508-512.)

This memo showed that the Japanese were offering surrender terms virtually identical to the ones ultimately accepted by the Americans at the formal surrender ceremony on September 2 -- that is, complete surrender of everything but the person of the Emperor. Specifically, the terms of these peace overtures included:

- Complete surrender of all Japanese forces and arms, at home, on island possessions, and in occupied countries.
- Occupation of Japan and its possessions by Allied troops under American direction.
- Japanese relinquishment of all territory seized during the war, as well as Manchuria, Korea and Taiwan.
- Regulation of Japanese industry to halt production of any weapons and other tools of war.
 - Release of all prisoners of war and internees.
 - Surrender of designated war criminals. 1

Few people can comprehend the extent of horrors that resulted from the use of atomic weapons. The civilians of Hiroshima were attacked early in the morning. Citizens were getting ready to go to their jobs, children were preparing for school and no one was aware of what was to come. When Colonel Tibbits dropped the bomb, the shock waves were so intense that they knocked the plane about in the sky. The area where the bomb hit; the center was as hot as the surface of the sun. People melted into walls, only the shadows of their charred images remained.

The plight of the survivors was even far worse. The skin peeled right off of the bones of the many who were still living. Hair fell out of their heads in clumps. Fetuses fell right out of the abdomens of pregnant women. Many others suffered third degree burns and long-term horrendous effects, such as keloid scars caused by thermal radiation.

"President Truman steadfastly defended his use of the atomic bomb, claiming that it "saved millions of lives" by bringing the war to a quick end. Justifying his decision, he went so far as to declare: "The world will note that the first atomic bomb was dropped on Hiroshima, a military base. That was because we wished in this first attack to avoid, insofar as possible, the killing of civilians."

This was a preposterous statement. In fact, almost all of the victims were civilians, and the United States Strategic Bombing Survey (issued in 1946) stated in its official report: "Hiroshima and Nagasaki were chosen as targets because of their concentration of activities and population."

If the atomic bomb was dropped to impress the Japanese leaders with the immense destructive power of a new weapon, this could have been accomplished by deploying it on an isolated military base. It was not necessary to destroy a large city. And whatever the justification for the Hiroshima blast, it is much more difficult to defend the second bombing of Nagasaki."

After the July 1943 firestorm destruction of Hamburg, the mid-February 1945 holocaust of Dresden, and the fire-bombings of Tokyo and other Japanese cities, America's leaders -- as US Army General Leslie Groves later commented -- "were generally inured to the mass killing of civilians." ²

"The experiment has been an overwhelming success," President Harry S. Truman reportedly told his shipmates upon learning that the U.S. military had dropped the atomic bomb on Hiroshima.

"After the bombings, Japanese filmmakers attempted to document the horror that the atomic bombs left in Japan. Recognizing this as a potential threat, the U.S. military seized all Japanese footage and then placed an order banning all future filming." ³

Hiroshima and Nagasaki fact and fiction:

- Lie: Leaflets were dropped on Japanese cities to warn civilians to evacuate.
- Truth: Leaflets were dropped after we bombed Hiroshima and Nagasaki.

- Lie: Our use of the atomic bombs shortened the war.
- Truth: The Japanese were looking for peace when they returned from the Potsdam Conference on Aug. 3, 1945, three days before the U.S. military bombed Hiroshima.

- Lie: We bombed Hiroshima, which was an important Japanese Army base.
- Truth: We bombed the city center of Hiroshima, which had a population of 350,000.
- Truth: Only four of the 30 targets were, in fact, military in nature. 4

In truth, the atomic bombings of Hiroshima and Nagasaki were experiments, masterminded, and advocated by Jews.

"We may never actually have to use this atomic weapon in military operations as the mere threat of its use will persuade any opponent to surrender to us."

—Chaim Weizmann [Jew]

Genocide IS and Always Has Been a Jewish Ideal

Everything the Jews are and do, they accuse their enemies of. This creates the necessary psychological confusion so that they might accomplish their agenda. The Jews are masters of lying and deceit. While they extort billions upon billions of dollars from Germany in so-called "reparations" for a "holocaust" that never happened, [See "The Holocaust Hoax: The "Six-Million" Lie"] and incessantly advertise this fraud in the media, through movies, books, schools, and other sources, this creates a very powerful distraction and diversion regarding their own crimes against humanity.

Communist leader Grigory Zinoviev [Jew] seemed to be advocating genocide when he declared in mid-September of 1918: "To overcome of our enemies we must have our own socialist militarism. We must carry along with us 90 million out of the 100 million of Soviet Russia's population. As for the rest, we have nothing to say to them. They must be annihilated."

The following excerpts prove beyond any doubt that the Jews were planning for the annihilation of the German people even before World War II broke out. See World Jewish Congress Declared War on Germany Long Before Germany Took Any Action Against Jews.

The following plans are for the deliberate genocide of the German people, and this is just one source, there are many others:

Excerpts from the book "Germany Must Perish" written by Theodore N. Kaufman [Jew] 1941

"This dynamic volume outlines a comprehensive plan for the extinction of the German nation and the total eradication from the earth, of all her people. Also contained herein is a map illustrating the possible territorial dissection of Germany and the apportionment of her lands."

"The population of Germany, excluding conquered and annexed territories, is about 70,000,000, almost equally divided between male and female. To achieve the purpose of German extinction it would be necessary to only sterilize some 48,000,000 -- a figure which excludes, because of their limited power to procreate, males over 60 years of age, and females over 45."

"Concerning the males subject to sterilization the army groups, as organized units, would be the easiest and quickest to deal with. Taking 20,000 surgeons as an arbitrary number and on the assumption that each will perform a minimum of 25 operations daily, it would take no more than one month, at the maximum, to complete their sterilization. Naturally the more doctors available, and many more than the 20,000 we mention would be available considering all the nations to be drawn upon, the less time would be required. The balance of the male civilian population of Germany could be treated within three months. Inasmuch as sterilization of women needs somewhat more time, it may be computed that the entire female population of Germany could be sterilized within a period of three years or less. Complete sterilization of both sexes, and not only one, is to be considered necessary in view of the present German doctrine that so much as one drop of true German blood constitutes a German."

"Of course, after complete sterilization, there will cease to be a birth rate in Germany. At the normal death rate of 2 per cent per annum, German life will diminish at the rate of 1,500,000 yearly. Accordingly in the span of two generations that which cost millions

of lives and centuries of useless effort, namely, the elimination of Germanism and its carriers, will have been an accomplished fact. By virtue of its loss of self-perpetuation German Will, will have atrophied and German power reduced to negligible importance."

The imperative demands of the victor people that Germany must perish forever makes it obligatory for the leaders to select mass sterilization of the Germans as the best means of wiping them out permanently. They proceed to:

1. Immediately and completely disarm the German army and have all armaments removed from German territory.
2. Place all German utility and heavy industrial plants under heavy guard, and replace German workers by those of Allied nationality.
3. Segregate the German army into groups, concentrate them in severely restricted areas, and summarily sterilize them.
4. Organize the civilian population, both male and female, within territorial sectors, and effect their sterilization.
5. Divide the German army (after its sterilization has been completed) into labor battalions, and allocate their services toward the rebuilding of those cities which they ruined.
6. Partition Germany and apportion its lands. The accompanying map gives some idea of possible land adjustments which might be made in connection with Germany's extinction.
7. Restrict all German civilian travel beyond established borders until all sterilization has been completed.
8. Compel the German population of the apportioned territories to learn the language of its area, and within one year to cease the publication of all books, newspapers and notices in the German language, as well as to restrict German-language broadcasts and discontinue the maintenance of German-language schools.

9. Make one exception to an otherwise severely strict enforcement of total sterilization, by exempting from such treatment only those Germans whose relatives, being citizens of various victor nations, assume financial responsibility for their actions. Thus, into an oblivion which she would have visited upon the world, exists Germany.

In addition to the above, the "Morgenthau Plan" created by Jew Henry Morgenthau, was a blueprint for the systematic annihilation of the German people.

"Emotionally upset by Hitler's rise and his persecution of the Jews, Morgenthau often sought to induce the President to anticipate the State Department or act contrary to our better judgment. We sometimes found him conducting negotiations with foreign governments which were the function of the State Department. His work in drawing up a catastrophic plan for the postwar treatment of Germany and inducing the President to accept it without consultation with the State Department, was an outstanding instance of this interference."

"In recent years various German groups have, with the cooperation of the Russians, been establishing memorials for the German civilians and soldiers who died in the Soviet Union. Recently, a Russian Jew, Aleksandr Gutman, produced a documentary film in which he interviewed four German women from East Prussia who as young girls had been raped by Red Army troops, then transported soon after the war to a particularly hellish outpost of the Gulag, no. 517, near Petrozavodsk in Karelia. Of the 1,000 girls and women who were transported to that camp, 522 died within six months of their arrival. These women were among tens of thousands of German civilians, men and women, deported, with the acquiescence of the Western powers, to the Soviet Union as German "reparations-in-kind" for slave labor. One of the women interviewed by Gutman remarks: "While the diary of Anne Frank is known throughout the world, we carry our memories in our hearts." Recently, German philanthropists established a memorial cemetery for those women who perished in slave pen no. 517." 1

"His best estimate is that some three million Germans, military and civilians, died unnecessarily after the official end of hostilities. A million of these were men who were being held as prisoners of war, most of whom died in Soviet captivity. (Of the 90,000

Germans who surrendered at Stalingrad, for example, only 5,000 ever returned to their homeland.) Less well known is the story of the many thousands of German prisoners who died in American and British captivity, most infamously in horrid holding camps along the Rhine river, with no shelter and very little food. Others, more fortunate, toiled as slave labor in Allied countries, often for years. Most of the two million German civilians who perished after the end of the war were women, children and elderly -- victims of disease, cold, hunger, suicide, and mass murder.

We are ceaselessly reminded of the Third Reich's wartime concentration camps. But few Americans are aware that such infamous camps as Dachau, Buchenwald, Sachsenhausen and Auschwitz stayed in business after the end of the war, only now packed with German captives, many of whom perished miserably. The vengeful plan by US Treasury Secretary Henry Morgenthau to turn defeated Germany into an impoverished "pastoral" country, stripped of modern industry, is recounted by MacDonogh, as well as other genocidal schemes to starve, sterilize or deport the population of what was left of the bombed-out cities. 2

Ilya Ehrenberg - The Man Who Invented The 'Six Million'

"He was the top Soviet propagandist during the Second World War. He was a notorious liar and a pathological monster. He was a Jew." "But Ehrenburg was perhaps most notorious for his viciously anti-German hate propaganda in World War II. In it, he exhorted Soviet troops to kill all Germans they encountered without pity." "In one leaflet entitled "Kill," Ehrenburg incited the simple Russian soldier to treat the Germans as subhuman. The final paragraph concludes:

"The Germans are not human beings. From now on, the word 'German' is the most horrible curse. From now on, the word 'German' strikes us to the quick. We have nothing to discuss. We will not get excited. We will kill. If you have not killed at least one German a day, you have wasted that day ... If you cannot kill a German with a bullet, then kill him with your bayonet. If your part of the front is quiet and there is no fighting, then kill a German in the meantime ... If you have already killed a German, then kill another one - there is nothing more amusing to us than a heap of German corpses.

Don't count the days, don't count the kilometers. Count only one thing: the number of Germans you have killed. Kill the Germans! ... - Kill the Germans! Kill!"

"This is typical of the steady diet of pathological hate fed to millions of Soviet troops by this Jew, safely ensconced far from the front." "The crowning achievement of Ehrenburg's career came on December 22, 1944, when this hate-crazed fiend became the first person to mention the kabbalistic figure of Six Million alleged Jewish victims of National Socialism, and then proceeded to introduce that figure into Soviet propaganda.

After the war he joined with co-racial and fellow propagandist Vasily (Iosif Solomonovich) Grossman to produce a fictitious "Black Book" and lay the foundation for what has come to be known as "The Holocaust."3

The Eisenhower Death Camps

The above link summarizes the atrocities committed against the German people by Jewish General Dwight David Eisenhower. This is a further act of genocide against Gentile peoples enforced by a Jew. The book: "Other Losses: An investigation into the mass deaths of German prisoners at the hands of the French and Americans after World War II" by James Bacque (Toronto: Stoddart, 1989) goes into much more detail and exposes Eisenhower for what he really is- one of the worst of war criminals and a mass murderer.

The blueprint for the Jewish agenda can be found in the Judeo/Christian Bible. Because of this most evil and horrendous work, claiming to be "the word of God" spiritual knowledge has been systematically removed and replaced with fictitious Jewish characters, places and other archetypes. The average, deluded Christian who ties into this energy through worship and belief establishes him/herself as a psychic host. In a word... "God" and the "Devil" are backwards.

The Holocaust Hoax: The "Six-Million" Lie

Aside from the so-called "Holocaust" being mathematically impossible, this monstrous hoax has served as a major distraction from the real mass murder, torture and genocide perpetrated by the communists. Communism, which is the creation of a slave labor state, was invented by Jews, and promoted and controlled by Jews. Jewish communism has mass murdered millions upon millions of innocent human beings; most being Gentiles. Yet, because the media is also controlled by the Jews [96 percent], very little has been publicized regarding the true horrors of communism. The so-called "holocaust" the Jews forever whine about has been proven to be a lie. See the link to "Slave Labor in Soviet Russia" at the bottom of this article, to read about the real concentration camps.

The following is an excerpt from Ben Klassen's writings. This was written for a white audience, but affects ALL Gentiles, regardless of color:

Masters of the Big Lie.

The Jews have expertly utilized the "Big Lie" technique since the beginning of their historical existence. Over the last 5,000 years, they have become unexcelled masters of that technique. Their religion is based on it, their wealth is based on it, and in fact they

owe their very existence to the expertise with which they have manipulated lies to a gullible and (mostly) unsuspecting world.

Over the years, the Jews have spread millions of lies, some of which have served a temporary purpose, while some have persisted for thousands of years. Some have been ineffective, whereas others have been successful beyond their wildest dreams.

Invented the Christianity Swindle.

Undoubtedly, their most successful lie of all time has been their invention of Christianity and originally selling this destructive creed to their mortal enemies, the Romans. That lie has wreaked incalculable damage to the Gentiles and the virus of this fever on the brain is still virulent today. However we now want to examine a modern day invention of the Jews that they have launched with devastating effectiveness and that is the lie that the Germans gassed, incinerated in ovens, or otherwise exterminated six million Jews during World War II.

The Six Million Lie.

So effectively have they propagated and disseminated this lie all over the world by means of their gigantic propaganda apparatus that most gullible goyim (without thinking) react emotionally "it must be true, or why would they make such a terrible charge?" Again, a little investigation and consideration of the facts readily demonstrate how ludicrous this charge really is.

No evidence, no witnesses.

In the first place, like the Christianity swindle, there is not a single shred of evidence to back up the allegations that Hitler, or the German government, or any officials in it, ever advocated a policy of extermination of the Jews. Although the Jews have written thousands of articles on this subject and dozens of books, when these authors have been questioned and cross-examined, not a single one of them has seen a single oven, a single gas chamber, nor any actual acts of extermination. Nor can they produce a single eye-witness that has seen any such event. Invariably when pinned down, they were "told" by a mythical person who is "now dead", or "read about it," or hearsay of one kind or another. Not one can produce a live eyewitness, either now or in the past.

No such orders, no such policy.

Despite the tons of Nazi documents that were captured intact, there is not a single one where an order, or a command, or a policy paper has appeared, or is in existence that recommends, orders or suggests the extermination of Jews, either in mass or singly. All the literature, when investigated, is based on claims that such orders were given "verbally" or could be "read between the lines," or some other such unsubstantiated allegation.

Aimed to strip Jews of their immense power.

The fact is neither Hitler nor the German government or any branch of it ever had, or enunciated, such a policy. That the Germans realized the Jews in their midst were their

unmitigated misfortune, of that there is no doubt. They wanted them out, and their policy was to strip them of power and encourage them to migrate elsewhere. When the Germans instituted the Nuremberg Racial laws, they forbade the Jews of any positions in the news media, in the universities and schools, in government, in banking and other positions of power that they had dominated in the past. This, and the hostility engendered by the German people finally recognizing the Jews for the degenerative parasites they were, encouraged the Jews to leave that country and seek greener pastures elsewhere.

Cleanse their Nation.

The Germans did everything possible to help and encourage the Jew to emigrate. They looked forward to the day (as should we) when their country would be "Judenrein," i.e., cleansed of Jews. They negotiated with Great Britain to help them emigrate to Palestine, at that time (during the 1930's) still a British mandate. In this the British were not very cooperative but increasing numbers did migrate to Palestine, much to the chagrin of the Arabs. The German government, under Goering, also tried to help establish a Jewish homeland on the large island of Madagascar off the coast of Africa.

Zionist Movement.

The Madagascar idea had been variously discussed by the Jews themselves in the growing Zionist movement. Theodore Hertzl, considered the father of the Zionist movement, proposed such a plan as early as 1896. There were divided opinions about Madagascar among the Jews, some favoring it, some favoring Palestine. In any case, the Germans did what they could to find the Jews an alternate homeland, although in the

short time available before the war neither the Palestine nor Madagascar project materialized.

"Jew Heaven" U.S.A.

By far the greater number of Jews migrated to the Jew haven of the world namely the United States where their kinsmen were already ravishing the land and wallowing in milk and honey.

Holocaust Claims a Fantastic Lie.

The facts are these: There were only 500,000 Jews in Germany when Hitler came to power. Most of these migrated to the U.S. before 1939. There were never more than 3 million Jews in all the territory that Hitler's armies occupied during the entire war, so it was of course physically impossible for them to have killed six million. As already stated, there is not a shred of evidence that the Germans ever proposed, sanctioned, or contemplated such a policy of exterminations.

Jews Declared War on Germany.

Even before the war started the Jewish leaders on a world-wide basis had years before declared that world Jewry was at war with Germany, and that they would utilize their

immense financial, moral and political powers to destroy Hitler and Nazi Germany. Principal among these was Chaim Weizmann, the Zionist leader, who so declared on September 5, 1939. He was enthusiastically supported by world-wide Jewry in this declaration. Since it has been the custom during war-time for security reasons to intern enemy and subversive aliens, the Germans did intern most, but not all, of the Jews in their territory. Certainly the United States and Canada did the same thing to even the native-born Japanese, solely by the color of their skin and their ancestry. Also most certainly it was done with a lot less provocation, since the native-born Japanese were American or Canadian citizens and had expressed little or no hostility towards the countries in which they were born. Whereas most of the American Japanese were loyal to the United States, they were peremptorily carted off their farms in California and elsewhere, usually having lost their farms forever when the war ended.

Jews were Dangerous Enemy Aliens.

Nevertheless, the Germans did intern the Jews in internment camps in a manner similar to the way the United States and Canada did to the Japanese. Certainly they had as much or more reason to do so as did Canada or the U.S. The Germans also did so to other aliens and subversives considered as security risks and dangerous to the war effort. One difference was that in Germany the internees were put to work in factories that were either in existence where the camps were set up, or factories were built at the camps.

Treated Humanely.

These internees were well treated and well fed considering Germany's dwindling resources. Often their rations exceeded those received by the Germans themselves.

Jewish Statistics Confirm Lie. As a further proof of the six million lie, we can check into the statistics the Jews put out amongst their own. The World Almanac of 1938 lists the number of Jews in the world as 16,588,259. After the war the New York Times, owned by Jews, placed the number of Jews of the world at a minimum of 15,600,000 and maximum of 18,700,000. Averaging out the latter two figures of the New York Times would come to approximately 17,100,000. It is therefore impossible by any stretch of the imagination that 6,000,000 Jews could have been exterminated and end up with a net gain in a short period of eight years.

Jews the Big Winner or World War II.

So much for the statistics. There are many others that we could quote that lead to the same conclusion: The six million figure is a great big lie. True, many people , were killed during the war. A total of 2,050,000 German civilians were killed in allied air raids and forced repatriation after the war. Even some Jews were killed. But relatively they fared better and their casualties were lighter than other combatants involved, especially considering the whole horrible conflict was instigated by the Jews, contrived by the Jews, and incited and provoked by the Jews. Certainly their casualties were negligible considering they were the arch-instigators and sole benefactors of that terrible war, a war that was fought by Gentile brother against Gentile brother, all for the avaricious greed and benefit of the Jews.

If the six million hoax has no basis in fact, the question arises- why would the Jews want to promote such a vicious and horrible lie?

Jews have Profited Tremendously.

The answer is: The Jews have profited handsomely from this atrocious lie, as they have a knack of doing with most of the lies they propagate.

1. It aroused world sympathy for the Jews when the world should have been (and thanks to Hitler, partially was) alerted to the dangerous and destructive nature of this world-wide parasite.

2. It acted as a moral club and a propaganda lever with which they have extracted as blackmail \$12 billion dollars from the German people as "reparations" to Israel and as "compensation" to individual Jewish claimants. The insanity of such claims can only be appreciated when we considered that many German taxpayers today, who were not even born when the alleged crimes were supposedly committed, are paying "reparations" to a state (Israel) that didn't even exist at that time. Furthermore the list of Jewish claimants, now, over 35 years later has reached a staggering 3,375,000 when there were less than 200,000 Jews in Germany after 1939.

Since it has been so easy for the Jews to rob the Germans by means of this so-called "compensation," the number of registered claimants against the West German government has tripled in the last ten years. Nothing could be more devastating proof of the brazen effrontery of the Six Million Lie.

3. The Six Million lie has been a powerful propaganda tool that enabled the Jews to steal Palestine from the Arabs in 1948 and set up the bandit state of Israel. Thanks to the Six Million lie the Jews had the support and blessing of the befuddled world, especially the Jew-infested United States.

4. The Six Million lie has had a devastating effect in shaming and discrediting the German people. Whereas the Germans should be honored for the noble fight they waged in order to expose and shake off the world-wide Jewish pestilence, the powerful

and effective Jewish propaganda networks have pictured the Germans as the villains in the eyes of the gullible world.

5. It has rallied and united the Jews of the world as nothing else has in the last thousand years. Although most of the Jews know it is an abominable lie, they keep constantly harping about it amongst themselves (as well as to the outside world) until they have become so hypnotized by their own lie that it actually becomes part of their religion. On this sleazy basis vast sums of money have been raised amongst the Jews themselves and hundreds of organizations formed.

Holocaust Lie- Jewish Rallying Cry.

This lie, then, has become the rallying cry of the modern day Jew, a continuation of the oldest lie in their tumultuous history, namely that the Jews are a persecuted race. It has worked wonders for them. It has been devastatingly effective as a two-edged sword. It has demolished any attempt by the White Race to retain their own racial integrity, or even any form of nationalism. On the other hand, it has made the Jews fanatically nationalistic when it concerns Israel, fanatically racist when it concerns Zionism or the Jewish race.

Jews now More Powerful than ever.

So powerful a tool has this depraved Six Million Lie become that not only individuals but governments of nations cower before it while the Jews take charge, silencing any and all opposition. Dr. Max Nussbaum, the former chief Rabbi of the Jewish community in Berlin, openly bragged on April 11, 1953, "the position the Jewish people occupy in the world today, despite its tremendous losses, is ten times stronger than it was twenty years ago."

He is right on half of his statement. They suffered no "tremendous losses," but they are ten times stronger than they were before that bloody, fratricidal holocaust, known as World War II, incited and provoked by the Jews themselves. Much of this increased strength they have acquired thanks to the despicable Six Million Lie.

The emaciated [extremely skinny] bodies piled up was a result of TYPHUS. Typhus is a disease that results from lice. It causes severe, ongoing, watery diarrhea and this causes emaciation very quickly. It is prevalent in places where there are many people together, such as in concentration camps. Dead bodies normally bloat because of natural gasses trapped within the lungs and the intestines. If the bodies were 'gassed' as the Jews claim, they would have been bloated.

In addition, the many prisoners with their heads shaved bald; this was an attempt to save their lives as the lice was epidemic and lice lives in the hair of its hosts. If these were 'death camps' then why bother trying to save them? The piles of shoes seen were the result of prisoners being issued clogs to keep their feet in better shape and was more sanitary.

Towards the end of the war, allied bombings of railroads and other means of transportation prevented food from reaching the prisoners and many did starve to death, along with the typhus epidemic. If you look closely and are observing, you will see that quite a few inmates were in fact, not skinny and emaciated, but healthy at the end of the war. Some camps were hit harder than others were.

The Jews accuse gentiles of everything they are and do. This is no different from the hoax of Christianity, where everything Jewhova is and does, is blamed on Satan. Satan never lied to anyone, nor did he ever murder anyone, given the stories in that bible of theirs. Yet, he is blamed for everything. Once you are aware of the Jewish tactics and schemes, a whole new world opens up where you can see the truth and separate the truth from the lies. Jewhova was a 'murderer and a liar from the beginning' NOT Satan.

As for the real concentration camps [gulags], the truth is very, very tragic. The whole idea of genocide and racial superiority is Jewish, NOT Gentile. Satan even mentioned to me how much the Russian people have suffered horribly under the rule of the Jews [communism]. Below is a pdf of a very old book that reveals the atrocities of the Stalin

era in the former USSR. Josef Stalin [real name József Dugasvilli], was a Georgian Jew. 'Dugasvilli' in Georgian means 'Son of a Jew.' [His sadistic sidekick Lavrenty Beria was also a Georgian Jew].

"American Newspapers claim that Stalin has been preordained to save Christianity."

-Dr. Josef Goebbels

The Goebbels Diaries, Edited and translated by Louis P. Lochner © 1971

Stalin mass-murdered millions upon millions of innocent men, women and children-Russians, Ukrainians and others. Many of the murders such as what occurred at Katyn were blamed on Hitler, but the truth has been coming out. There was a movie about Katyn and how Stalin ordered this. In the 1950's after Stalin's death, his crimes were so horrible that Soviet Premier Nikita Khrushchev who succeeded him had Stalin's body removed from a high profile area: 'When Nikita became the leader of the Soviet Union, he began something he called 'De-Stalinization'. In early 1956, he took down all posters and statues of Joseph Stalin. Also, he moved Stalin's grave to a place where people could not see it, and burying it 10 feet.'

Khrushchev reflected on Stalin in his memoirs:

'Stalin called everyone who didn't agree with him an "enemy of the people." He said that they wanted to restore the old order, and for this purpose, "the enemies of the people" had linked up with the forces of reaction internationally. As a result, several hundred thousand honest people perished. Everyone lived in fear in those days. Everyone expected that at any moment there would be a knock on the door in the middle of the night and that knock on the door would prove fatal ...'

'By the end of 1955, thousands of political prisoners had returned home, and told their experiences of the gulag labor camps. Continuing investigation into the abuses brought home the full breadth of Stalin's crimes to his successors.'

Above quotations from Wikipedia articles on Josef Stalin and Nikita Khrushchev.

Of course, most people don't know about or hear of these things and how many parts of the world have suffered horrendously under Jewish communism [China now-a-days is a blatant example, with its factories of slave labor...the Chinese workers get next to nothing; the American and other Jews outside of China who own those factories and companies over there rake in trillions of dollars]. The Jews are too busy drumming in that phony holoco\$t into the minds of the populace to gain sympathy and pity and special privileges, and the general public is distracted from the REAL atrocities.

The Threat of Israel Today

Who really presents the biggest nuclear threat to the world? Iran - members of the Nuclear Non-Proliferation Treaty who cooperate with the International Atomic Energy Agency? Or Israel – who refuse to sign the Treaty, and refuse to even admit they have nukes? Let's consider the nuclear weaponry Israel is believed to have: Up to 400 atomic and hydrogen nukes, including thermonuclear weapons in the megaton range. A range of systems including neutron bombs, tactical nukes, and suitcase nukes. Delivery mechanisms including Jericho intercontinental ballistic missiles with a range of 11,500 km, and offshore second-strike capabilities using submarine launched nuclear-capable cruise missiles. Israel's formidable nuclear armoury contrasts sharply with Iran's non-existent nuclear weapons. Whilst Iran has consistently denied developing nukes, Israel has repeatedly threatened the world with theirs. Israel operates a strategy known as the "Samson Option", a policy in which any threat to Israel will be responded to with massive nuclear retaliation. Samson is the Biblical figure who destroyed a Philistine temple, killing himself and thousands of Philistine enemies.

An Israeli official is quoted in Seymour Hersh's book "The Samson Option" as declaring, "We can still remember the smell of Auschwitz and Treblinka. Next time we'll take all of you with us." General Moshe Dayan, a leading promoter of Israel's nuclear program, stated, "Israel must be like a mad dog, too dangerous to bother."

Martin Van Creveld, a professor of military history at the Hebrew University in Jerusalem, said, ""Most European capitals are targets for our [Israel's] air force....We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."

Israeli whistleblower Mordechai Vanunu alleged that Israel blackmails the world with its ability to "bombard any city all over the world, and not only those in Europe but also those in the United States." Israel's threats to pre-emptively attack other countries have increased since Iran began enriching uranium for its nuclear energy program. Whilst it's unlikely Israel seriously believes Iran would attack them - Iran knows it would likely be obliterated if it dared to attack Israel with any form of weaponry - Israel cannot tolerate the possibility of a nuclear armed Iran.

Any challenge to Israel's nuclear hegemony could weaken its ability to use the nuclear threat in order to hold on to stolen Palestinian land. A nuclear armed Iran might see Israeli citizens leave the country and its occupied territories. Investment could decline, reducing the finances needed to fund and maintain Israel's illegitimate expansion. Israel's large stockpile of nuclear weapons and the fact that many high profile Israelis have declared that the country is quite prepared to use them if threatened, should be of great concern to everyone. Israel, and their Neocon and Zionist allies in the US government, pose a much graver threat to world peace than Iran.
